May 2019

## Happy Spring 2019 from the Reynolds Farm HOA Board

We hope you are enjoying this wonderful season and the renewal that Spring brings. Here is what is happening at Reynolds Farm Lane!

### Many Thanks!

Thanks to all of the homeowners and neighbors who helped with digging, watering, hauling, observing, measuring, and sprucing up the neighborhood. Thanks to Rita Gee for writing the NGLA grant and for arranging the Mobile Block Party, to Gina Underwood for managing the RFL Garage Sale, to Lew Collins, Bonnie Prushnok, Bob Epp, and Betty Schulte for planting and watering new trees. Finally, a very special thank you to everyone who contributed to the Rick Marsh Memorial Bench and garden. Watch for it soon on the Southeast side of the open space area!

### CONCRETE DONE!

Concrete replacement and repair focused on safety issues. We replaced driveways and sidewalks that had severe trip hazards. Thanks much for everyone's cooperation during the process! We are asking all residents who got new concrete to water the areas where sod had to be peeled back to relocate the sprinkler heads. This would be very helpful and would save on resodding costs.

**Decks and Fences.** Several decks and fences have been repaired or replaced this Spring. Decks and fences in Buildings 6 and 9 are being repaired ahead of painting. Decks and fences in Buildings 3, 4 and 10 will also be repaired prior to painting in early FY 2019-20 (Fall 2019). Please trim shrubbery away from fences and decks to preserve their longevity.

**TERMITES!** Yes, we have treated for termites in RFL this Spring. Check inside your garages for small mounds of sawdust type material. It's important to catch termites early! They can migrate up to 350 feet and like warm and moist places. Let us know if sprinklers are hitting your siding or fence.

**COMMUNITY-WIDE  
GARAGE  
SALE**

Please join us for the Annual Reynolds Farm Lane Community-Wide Garage Sale! June 8, from 8:00 AM to 2:00 PM.

### Don't Miss the Reynolds Farm Mobile Block Party - June 14!

Everyone is welcome! The Trolley will pick us up in the neighborhood on June 14 at about 5:45 PM and bring us back at about 9:00 PM. A light snack may be provided and you will have the option to buy food along the way. Minimal walking on Main Street. Tour Downtown and meet your neighbors! Brought to you by the Longmont Creative Arts District and the Longmont. Neighborhood Group Leadership Association. **FUN AND FREE!**
