Declarant hereby reserves unto itself the right, from time to time, without the consent of any Owner being required to amend The Map and any supplement(s) thereto in accordance with ARTICLE TWELVE hereof, so long as such amendment is made no later than seven years from the date of the recording of the original Declaration which was recorded on August 29, 1980, on Film 1131 as Reception No. 410210 in the Boulder County Records.

Declarant hereby reserves unto the Board of Directors of the Association the right, from time to time, without the consent of any Owner being required to amend The Map to (a) insure that the language and all particulars used on The Map in the Declaration are identical, (b) establish, vacate and relocate outside The Building utility easements, driveway easements, and parking spaces and (c) to establish certain Common Elements as Limited Common Elements.

1.23 VA AND/OR FHA APPROVAL shall mean that The Project has been approved by the Veterans Administration and/or the Federal Housing Administration so that such agencies will insure or guarantee loans made upon the Unit within The Project.

ARTICLE TWO: NATURE AND INCIDENTS OF CONDOMINIUM OWNERSHIP

2.1 Division into Units, Estates of an Owner. Subject to the provisions of ARTICLE TWELVE hereof, the Project is hereby divided into fifteen (15) Units, each consisting of a separate fee simple estate in a particular Condominium Apartment, and an appurtenant undivided fee simple interest in the Common Elements. The undivided interest in the Common Elements appurtenant to a particular Condominium Apartment is as set forth in Exhibit "B" attached hereto and incorporated herein.

2.2 Title. A Unit may be held and owned by more than one person as joint tenants or as tenants in common, or in any real property tenancy relationship recognized under the laws of the State of Colorado.

2.3 Description of a Condominium Unit. Every contract for the sale of a Unit written prior to the filing for record of The Map and this Declaration may legally describe a Unit by its identifying Unit number designation followed by the words "THE REYNOLDS FARM CONDOMINIUMS" with further reference to The Map thereof to be filed for record and the Declaration to be recorded. Upon recordation of The Map and the Declaration in the records of the Clerk and Recorder of Boulder County, Colorado, such description shall be conclusively presumed to relate to the therein described Units.

Every deed, lease, mortgage, trust deed, will or other instrument may legally describe a Unit by its identifying number followed by the words THE REYNOLDS FARM CONDOMINIUMS:

A sufficient description of a Condominium Unit shall be as follows:

Condominium Unit No. , Building No. , THE REYNOLDS FARM CONDOMINIUMS according to the CONDOMINIUM MAP FOR THE REYNOLDS FARM CONDOMINIUMS recorded on Film 1096 as Reception No. 374489, and as defined by the CONDOMINIUM DECLARATION FOR THE REYNOLDS FARM CONDOMINIUMS recorded on Film as Reception No. , recorded in the office of the County Clerk and Recorder, Boulder, Colorado.

Every description shall be good and sufficient for all purposes to sell, convey, transfer, encumber or otherwise affect not only the Condominium Apartment, but also the Common Elements and the right to use of the Limited Common elements appurtenant thereto. Each such description shall be construed to include: a nonexclusive easement for appropriate ingress and egress throughout The Project and for the use of the Common Elements which are not Limited Common Elements; the right to the appropriate exclusive use of the Limited Common Elements; and all other easements, obligations, limitations, rights, encumbrances, covenants, conditions and restrictions created in this Declaration.

The reference to The Map and Declaration in any instrument shall be deemed to include any supplements or amendments to The Map or Declaration, without specific reference(s) thereto.

2.4 Apartment Boundaries. The interior unfinished surfaces of the perimeter walls, lowermost floors and uppermost ceilings shall mark the perimeter boundaries of a Condominium Apartment and all lath, furring, wallboard, plasterboard, plaster, paneling, tiles, wallpaper, paint, finished flooring and any other materials constituting any part of the finished surfaces thereof are a part of the Condominium Apartment, and all other portions of the walls, floors, or ceilings are a part of the Common Elements.

If any chute, flue, duct, wire, conduit, bearing wall, bearing column, or any other fixtures lies partially within and partially outside the designated boundaries of a condominium Apartment, any portion thereof serving only that Apartment is a Limited Common Element allocated solely to that Apartment, and any portion thereof serving more than one Apartment or any portion of the Common Elements is a part of the Common Elements.

Any shutters, awnings, window boxes, doorsteps, stoops, porches, balconies, patios, and all exterior doors and windows or other fixtures designed to serve a single Condominium Apartment, but located outside the Apartment's boundaries, are Limited Common Elements allocated exclusively to that Apartment.

Subject to the above, all spaces, interior partitions, and other fixtures and improvements located within the boundaries of a Condominium Apartment are a part of the Apartment.

2.5 Physical Boundaries. In interpreting deeds, mortgages, deeds of trust and other instruments for any purpose whatsoever, or in connection with any matter, the existing physical boundaries of any Condominium Apartment or Common Elements reconstructed in substantial accordance with the original plans thereof, shall be conclusively presumed to be the boundaries regardless of settling, rising or lateral movements of The Building, and regardless of variances between boundaries as shown on The Map and the actual boundaries of The Building.

2.6 Inseparability of a Unit. An Owner's undivided interest in the Common Elements shall not be separated from the Condominium Apartment to which it is appurtenant and shall be deemed to be conveyed or encumbered with the Condominium Apartment even though the interest is not expressly mentioned or described in a deed or other instrument.

2.7 No Partition. The Common Elements shall remain undivided, and no owner or any other person shall bring any action for partition or division of the Common Elements. Similarly, no action shall be brought for the physical partition of a Condominium Apartment or a Unit between or among the Owners thereof, provided, however, an action of partition of a Unit shall be permitted by sale and the division of the sale proceeds.

2.8 Separate Taxation. Each Unit shall be deemed to be a parcel and shall be subject to separate assessment and taxation by each assessing unit and special district for all types of taxes authorized by law, including ad valorem levies and special assessments. Neither The Building, The Property nor any of the Common Elements shall be deemed to be a parcel. The lien for taxes assessed to any Unit shall be confined to that Unit. No forfeiture or sale of any Unit for

delinquent taxes, assessments or other governmental charges shall divest or in any way affect the title to any other Unit.

2.9 Limited Common Elements. Subject to the definition thereof, the Limited Common Elements shall be identified on The Map. Any balcony, porch, patio and the fireboxes within the fireplaces which are accessible from, associated with and which adjoins a Condominium Apartment identified as Limited Common Elements on The Map shall without further reference thereto, be used in connection with such Condominium Apartment to the exclusion of the use thereof by the other Owners of the Common Elements, except by invitation.

2.10 Compliance with Provisions of Declaration, Articles and Bylaws of the Association. Each Owner shall comply strictly with, and shall cause each of his guests to comply strictly with, all of the provisions of this Declaration and the Articles and Bylaws of the Association, and the decisions, rules, regulations and resolutions of the Association adopted pursuant thereto, as the same may be lawfully amended from time to time. Failure to comply with any of the same shall be grounds for an action to recover sums due and for damages or injunctive relief or both, along with costs of suit and reasonable attorneys' fees, maintainable by the Board of Directors in the name of the Association on behalf of the Owners, or, in a proper case, by an aggrieved Owner.

2.11 Liens Against Condominium Apartments - Removal From Lien - Effect of Part Payment. Upon the completion of The Project by the Declarant and payment of all of the costs thereof, then, no lien shall arise or be effective against The Project. Liens or encumbrances shall only arise or be created against each Condominium Apartment and the percentage of undivided interest in the Common Elements appurtenant to the Condominium Apartment, in the same manner and under the same conditions as liens and encumbrances may arise or be created upon any other parcel of real property subject to individual ownership; provided, however, that no labor performed or materials furnished, with the consent or at the request of an Owner or his agent shall be the basis for the filing of a lien pursuant to law against the Unit or other property of another Owner not expressly consenting to or requesting the same, except that express consent shall be deemed to be given by the Owner of any Unit to the Board in the case of emergency repairs. Labor performed or materials furnished for the Common Elements, if duly authorized by the Board of Directors in accordance with the Declaration or Bylaws, shall be deemed to be performed or furnished with the express consent of each Owner, and shall be the basis for the filing of a lien pursuant to law against each of the Units within the Properties.

In the event a lien is effected against two or more Units, the Owners of each of the separate Units may remove their Condominium Apartment and the percentage of undivided interests in the Common Elements appurtenant to said Condominium Apartment from the lien by payment of the fractional or proportional amount attributable to each of the Units affected. Individual payment shall be computed by reference to the percentages appearing in this Declaration. Subsequent to payment, discharge or other satisfaction, the Unit shall be released from the lien paid, satisfied or discharged. Partial payment, satisfaction or discharge shall not prevent the lienor from proceeding to enforce his rights against any Unit not so released or discharged.

Each Owner shall indemnify and hold each of the other Owners harmless from and against liability or loss arising from the claim of any lien against the Unit of the Owner, or any part thereof, for labor performed or for materials furnished in the course of work performed on such Owner's Unit. At the written request of any Owner, the Board shall enforce such indemnity by collecting from the Owner of the Unit on which the labor was performed and materials furnished the amount necessary to discharge any such lien and all costs incidental thereto, including reasonable attorneys' fees by an Individual Assessment against such Owner in accordance with Paragaraph 5.3(b) hereof.

2.12 Sale of a Condominium Unit. The right of an Owner to sell, transfer or otherwise convey his Unit shall not be subject to any right of first refusal or similar restriction and such Unit may be sold free of any such restrictions.

2.13 Restrictions on Mortgaging Units. There are no restrictions on the right of an Owner to mortgage or otherwise encumber his Unit.

2.14 Parking Spaces. All parking spaces contained within The Project shall be a part of the Limited Common Elements. Each parking space shall be limited to and reserved for the exclusive use of the Owners of a particular Condominium Unit as designated by the Association; provided however, that the Association shall maintain control thereof and shall have the continuing right to assign and reassign parking spaces to Owners within The Project. A parking space is not appurtenant to a Unit purchased.

2.15 Garage Spaces. All garage spaces contained within The Project shall be a part of the Limited Common Elements. Each garage space shall be limited to and reserved for the exclusive use of the Owners of a particular Condominium Unit as designated on the Map and said garage space will be appurtenant to the Unit purchased.

KF

ARTICLE THREE: VARIOUS RIGHTS AND EASEMENTS

3.1 Owner's Rights in Limited Common Elements. Subject to the provisions of Paragraph 2.14 hereof, each Owner and his Guest as defined in Paragraph 1.13 hereof, shall have an exclusive right to use and enjoy the Limited Common Elements designated herein or on The Map as appurtenant to the Unit owned by such Owner.

3.2 Association Rights. The Association, the Board and the Managing Agent shall have a non-exclusive right and easement to make such use of and to enter into or upon the Common Elements, the Limited Common Elements and the Condominium Apartments as may be necessary or appropriate for the performance of the duties and functions which they are obligated or permitted to perform under this Declaration; provided that entry into Condominium Apartments shall be made only at reasonable times; and except in case of emergency, such entry shall be made after reasonable notice to the Owner of the Condominium Apartment. See Paragraph 3.5 below.

3.3 Owner's Easement for Access, Support and Utilities. Each Owner shall have a non-exclusive easement for access between his Condominium Apartment and the roads and streets within and adjacent to The Project. There shall be no restrictions upon any Owner's right of ingress and egress to or from such Owner's Apartment. Each Owner shall have a non-exclusive easement in and over the Common Elements within the Condominium Project including the Common Elements within the Condominium Apartment of another Owner, for horizontal and lateral support of the Condominium Apartment which is part of his Unit, and for utility service to the Condominium Apartment, including water, sewer, gas, electricity, telephone and television service.

3.4 Easements for Encroachments. If any part of the Common Elements encroaches or shall hereafter encroach upon a Condominium Apartment, an easement for such encroachment and for the maintenance of the same shall and does exist. If any part of a Condominium Apartment encroaches or shall hereafter encroach upon the Common Elements, or upon another Condominium Apartment, the Owner of that Condominium Apartment shall and does have an easement for such encroachment and for the maintenance of same. Such encroachments shall not be considered to be encumbrances either on the Common Elements or on a Condominium Apartment. Encroachments referred to herein include, but are not limited to, encroachments caused by error in the original construction of The Building, by error in The Map, by settling, rising or shifting of the earth, or by changes in position caused by repair or reconstruction of The Project or any part thereof.

3.5 Easements in Condominium Apartments for Repair, Maintenance and Emergencies. Some of the Common Elements are or may be located within a Condominium Apartment or may be conveniently accessible only through a particular Condominium Apartment. All Owners shall permit a right of entry to the Board of Directors or any other person authorized by the Board of Directors, whether the Owner is present or not, for access through each Condominium Apartment to all Common Elements, from time to time, as may be necessary for the routine maintenance, repair, or replacement of any of the Common Elements located thereon or accessible therefrom or for making emergency repairs necessary to prevent damage to the Common Elements or to another Condominium Apartment. For routine maintenance and non-emergency repairs, entry

shall be made only on a regular business day during regular business hours, after service of one day notice in writing to the Unit Owner. In case of emergency, entry shall be made at any time provided that a reasonable effort according to the circumstances is made to give notice to entry.

Damage to the interior or any part of a Condominium Apartment resulting from the maintenance, repair, emergency repair or replacement of any of the Common Elements, at the instance of the Association, shall be paid for as part of the Annual Assessments for Common Expenses by all of the Owners. No diminution or abatement of Annual Assessments for Common Expenses shall be claimed or allowed for inconveniences or discomfort arising from the making of repairs or improvements or from action taken to comply with any law, ordinance or order of any governmental authority. Restoration of the damaged improvements shall be substantially the same as the condition in which they existed prior to damage. Notwithstanding the foregoing, if any such damage is the result of the carelessness or negligence of any Owner, then such Owner shall be solely responsible for the costs of repairing such damage. In the event the Owner fails within a reasonable time upon proper notice to pay the cost of the damages incurred, the Board of Directors may pay for said damages and charge the Owner responsible as an Individual Assessment in accordance with Paragraph 5.3(b) hereof.

3.6 Emergency Easements. A nonexclusive easement for ingress and egress is hereby granted to all police, sheriff, fire protection, ambulance, and other similar emergency agencies or persons, now or hereafter servicing the Project, to enter upon all driveways located in the Project, in the performance of their duties.

3.7 Utility Easements. The Board of Directors has the right to grant permits, licenses and easements over the Common Elements for utilities, roads and other purposes reasonably necessary or useful for the proper maintenance or operation of The Project.

3.8 Declarant's Easements. Anything to the contrary herein notwithstanding, the Declarant and/or its agents hereby reserve reasonable easements and rights-of-ways over all Common Elements and all Apartments not conveyed for the sole purpose of constructing improvements to the Project and/or making repairs required pursuant to the Declaration or pursuant to contracts of sale made with Unit Purchasers, but only if access thereto is otherwise not reasonably available. Such easements and rights-of-way however shall not inhibit the use of the Common Elements by the Owners and his delegees. The Declarant shall be fully responsible for any damage to the Common Elements caused by its use of such easements and rights of way.

These reservations shall terminate at the option of the Declarant by its written notice to the Secretary of the Association, but in any event such reservations shall terminate without further act or deed not later than:

- (a) The completion of all of the improvements to the Project; or
- (b) seven (7) years from the date of the recording of the original Declaration which was recorded on August 29, 1980, on Film 1131 as Reception No. 410210 in the Boulder County records, whichever shall first occur.

3.9 Easements Deemed Appurtenant. The easements, uses and rights herein created for an Owner shall be perpetual and appurtenant to the Unit of that Owner and all conveyances or any other instruments affecting title to a Unit shall be deemed to grant and reserve the easements, uses and rights as are provided for herein, even though no specific reference to such easements, uses and rights appear in any such conveyance.

ARTICLE FOUR: THE ASSOCIATION

4.1 General Purposes and Powers. The Association through its Board of Directors shall perform functions and manage The Project as provided in this Declaration so as to further the interests of all of the Owners of Units within The Project and Members of the Association. Any purchaser of a Unit shall be deemed to have assented to, ratified and approved such designations and management. It shall have all the powers necessary or desirable to effectuate such purposes.

4.2 Board of Directors. The affairs of the Association shall be managed by a Board of Directors which may by resolution delegate any portion of its authority to a Managing Agent for the Association as more fully provided for in the Bylaws, provided no such delegation shall relieve the Board of final responsibility.

4.3 Articles and Bylaws. The purposes and powers of the Association and the rights and obligations with respect to Members set forth in this Declaration may and shall be amplified by provisions of the Articles of Incorporation and the Bylaws of the Association. In the event the Articles or the Bylaws conflict with the Declaration, the Declaration shall control. In the event the Articles conflict with the Bylaws, the Articles shall control.

4.4 Membership. Each Owner of a Unit, including Declarant so long as it shall be an Owner, shall automatically become a member of the Association. Said membership is apurtenant to the Unit of said Owner and title to the ownership of the membership for that Unit shall automatically pass with fee simple title to the Unit. Each Owner of a Unit shall automatically be entitled to the benefits and subject to the burdens relating to the membership for his Unit. If the fee simple title to a Unit is held by more than one person, all such persons shall be members.

4.5 Voting Rights. The Association shall have two classes of voting membership:

Class A. Class A Members shall be all Owners with the exception of the Declarant and shall be entitled to one vote for each Unit owned.

The vote for such Unit, the ownership of which is held by more than one Owner, may be exercised by any one of them, unless an objection or protest by any other holder of an interest of the Unit is made prior to the completion of the vote, in which case the vote for such Unit shall be exercised, as the persons holding such interest shall determine between themselves. Should the joint owners of a Unit be unable, within a reasonable time, to agree upon how they will vote any issue, they shall be passed over and their right to vote on such issue shall be lost. In no event shall more than one vote be cast with respect to any such Unit.

Class B. Class B Members shall be the Declarant who shall be entitled to three votes for each Unit owned. Class B Membership may be converted to Class A Membership at the option of the Declarant by its written notice to the Secretary of the Association but in any event shall be converted to Class A Membership without further act or deed not later than:

(a) 120 days after the day by which 75% of the Units have been conveyed to Unit Purchasers other than the Declarant; or

(b) seven (7) years from the date of the recording of the original Declaration, which was recorded on August 29, 1980, on Film 1131 as Reception No. 410210 in the Boulder County records, whichever shall first occur.

4.6 Indemnification. The Association shall indemnify every director, officer, agent or employee, and any former director, officer, agent, or employee against loss, costs, and expense including counsel fees reasonably incurred in connection with any action, suit, or proceeding in which such person may be made a party by reason of being, or having been such director, officer, agent or employee of the Association, except as to matters concerning which such person shall be finally adjudged to be liable for gross negligence or fraud. Any such indemnification shall be limited to and may only be paid out of the insurance proceeds provided by an insurer furnishing Officers and Directors Errors and Omissions insurance coverage or similar protection and any other insurance protecting the Association from liability because of the negligent acts of its servants, including insurance covering motor vehicles or public liability, property damage, medical and other similar coverage, it being the intent and purpose of this provision to limit all payments or settlements in indemnification to the actual proceeds of insurance policies; provided, however, any deductible shall be paid by the Association. No officer, director, agent or employee of the Declarant, its successors or assigns, nor of any managing agent who is an independent contractor, shall be protected by these indemnification provisions nor by any insurance policies obtained by the Association in relation thereto, but any such protection is the sole and separate responsibility of the Declarant, its successors and assigns, any managing agent who is an independent contractor or any other independent contractor as one of their expenses of doing business. In the event of a settlement, the settlement shall be approved by the insurance carrier and paid for by the insurance carrier out of the insurance proceeds.

4.7 Association Agreements. Any agreement for professional management of The Project or any contract providing for services of the Declarant, may not exceed one (1) year. Any such agreement must provide for termination by either party without cause and without payment of a termination fee or penalty upon thirty (30) days' written notice provided however the Association shall not be bound either directly or indirectly to contracts or leases (including management contracts) entered into prior to the conversion of the Class B Membership to the Class A Membership in accordance with Paragraph 4.5 hereof unless the Association is provided with a right of termination of any such contract or lease without cause, which is exercisable without penalty at any time after such conversion upon not more than thirty (30) days' notice to the other party thereto.

When professional management has been required by any First Mortgagee any decision to establish self management by the Association shall require the prior written consent of Owners of Units to which at least eighty percent (80%) of the votes in the Association are allocated and the approval of First Mortgagees holding mortgages on Units which have at least eight percent (80%) of the votes of Units subject to first mortgages within The Project.

4.8 Certain Rights and Obligations of the Association.

(a) Association as Attorney-in-Fact for Owners. The Association is hereby irrevocably appointed attorney-in-fact for the Owners, and each of them, to manage, control and deal with the interest of such Owner in the Common Elements so as to permit the Association to fulfill all of its duties and obligations hereunder and to exercise all of its rights hereunder, to deal with The

Project upon its destruction, condemnation or obsolescence as hereinafter provided and to grant utility easements through any portion of the Common Elements. The acceptance by any person of any interest in any Unit shall constitute an appointment of the Association as attorney-in-fact as provided above and hereinafter. The Association shall be granted all of the powers necessary to govern, manage, maintain, repair, administer and regulate The Project and to perform all of the duties required of it.

(b) Other Association Functions: The Association may undertake any activity, function or service for the benefit of or to further the interests of all, some or any Owners of Units on a self-supporting, special assessment or common assessment basis. (c) Property of Association: The Association may pay for, acquire and hold tangible and intangible personal property and may dispose of the same by sale or otherwise. Subject to the Rules and Regulations of the Association, each Owner and each Owner's guests as herein defined, may use such property. Upon termination of Condominium ownership of The project and dissolution of the Association, if ever, the beneficial interest in any such property shall be deemed to be owned by the then Owners as tenants in common in the same proportion as their respective interest in the Common Elements. A transfer of a Unit shall transfer to the transferee ownership of the transferor's beneficial interest in such property without any reference thereto. Each may use such property in accordance with the purposes for which it is intended, without hindering or encroaching upon the lawful rights of the other Owners. The transfer of title to a Unit under foreclosure shall entitle the purchaser to the beneficial interest in such property associated with the foreclosed Unit.

(d) Implied Rights: The Association shall have and may exercise any right or privilege given to it expressly by this Declaration, or reasonably to be implied from the provisions of this Declaration, or given or implied by law, or which may be necessary or desirable to fulfill its duties, obligations, rights or privileges.

4.9 Rights of Association/Transfer of Functions. With respect to the Common Elements or other association responsibilities owned, the Association shall have the right to contract with any person for the performance of various duties and functions. Without limiting the foregoing, this right shall entitle the Association to enter into common management, operational, or other agreements with other condominiums, homeowner associations, both within and without the property.

Unless otherwise specifically prohibited herein or within the Certificate of Incorporation or Bylaws of the Association, any and all functions, responsibilities, authorities, duties, powers, and obligations of the Association shall be fully transferable in whole or in part to any other homeowner or condominium association. Any instrument effecting such a transfer shall specify the duration thereof and the means of revocation.

Any of the above actions shall require the consent of two-thirds (2/3) of the total votes of all Directors of the Associations and shall not relieve the Board from any responsibility thereof.

ARTICLE FIVE: ASSESSMENTS

5.1 Creation of the Lien and Personal Obligation of the Assessment. The Declarant, for each Condominium Unit owned, within the Condominium Project, hereby covenants, and agrees to pay, and each Owner, of any Unit by acceptance of a deed thereof, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association certain assessments to be fixed, established and collected from time to time as hereinafter provided. All assessments created and defined in this Declaration, together with interest, costs, and reasonable attorney's fees shall be:

(a) a charge upon the Unit and shall be a continuing lien upon such Unit against which each such assessment is made, which lien shall attach as of the date the assessment is made, and shall continue until such assessment, together with any penalties and interest, costs of collection, and attorney's fees are paid; and

(b) a personal obligation of the person who was the Owner or of the persons jointly and severally, who were the Owners of such Unit at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to successors in title unless expressly assumed by them.

5.2 Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the health, safety and welfare of the residents of The Project and the Members of the Association and in particular for the improvement and maintenance of the Common Elements and the Limited Common Elements to include the repair and maintenance of the private street within the Project known as "Reynolds Farm Lane", and the furnishing of common services to the Units, which may include, among other things, expenses of management; premiums for all insurance which the Association is required or permitted to maintain pursuant hereto; water charges; trash collection, sewage service charges; wages for Association employees; legal and accounting fees; payment of any deficit remaining from a previous fiscal year; and any other expenses and liabilities which may be incurred by the Board of Directors for the benefit of the Owners under or by reason of this Declaration. Such assessment shall include the establishment and maintenance of an adequate reserve fund for the maintenance, replacement and repair of those portions of the Common Elements and Limited Common Elements which the Association has an on going duty to replace, repair and maintain on a periodic basis.

5.3 Basis of Assessment.

(a) Annual Assessment for Common Expenses. The Board of Directors shall assess against each Owner of a Unit within The Project including the Declarant an Annual Assessment for Common Expenses, to pay for the expenses of the maintenance, repair, replacement and operation of the Common Elements and Limited Common Elements and procuring and maintaining proper insurance coverages therefore. The assessment shall include the expense of providing reserve funds established for future expected expenditures. There shall be no division of the Annual Assessment for Common Expenses between Common Elements and Limited Common Elements. Such Assessment shall be apportioned among all Units based on that Unit's undivided interest in the Common Elements as initially contained herein or as expanded in accordance with ARTICLE TWELVE hereof. Such Assessments shall commence in accordance with Paragraph 5.7 hereof, subject to the provisions of Paragraph 5.9 hereof.

(b) Individual Assessments: The Board of Directors shall have the right to individually assess any Owner amounts as provided for by this Declaration, to include but not be limited to, charges assessed under Paragraphs 2.11, 3.5, 6.3, 6.9, and 8.2(b.) hereof. No Individual Assessment shall be assessed until: the affected Owner has been given thirty (30) days' written notice as to the reason for the assessment; the affected Owner or Owners have had an opportunity for a hearing before the Board of Directors; and the Board of Directors levy the assessment by a two-thirds (2/3) vote of the total vote of all of the Board of Directors.

(c) Fines: The Board of Directors of the Association shall have the right to assess a fine against an Owner or Owners for each violation of this Declaration, the Bylaws, the Articles and the Rules and Regulations of the Association. No such fine shall be assessed until the affected Owner or Owners: (a) have been given notice as to the reason for the fine; (b) the affected Owner or Owners have had the opportunity for a hearing before the Board of Directors; and (c) the Board of Directors levy the fine by a two-thirds (2/3) vote of the total vote of all of the Board of Directors.

No fine may be assessed for more than one percent (1%) of such Unit Owner's Annual Assessment for Common Expenses for any one violation, but for each day the violation continues after the fine has been assessed against an Owner is a separate violation.

(d) Levy of Assessments: At least thirty days prior to the end of the Association's fiscal year, the Board shall determine the estimated Annual Assessments for Common Expenses payable during the year by each Owner; provided however, that said assessments may be adjusted upon a finding of necessity by the Board, but no more than twice in any one year. Said Assessment shall be the amount estimated to be necessary to pay for the expenses to be incurred by the Association to provide the necessary reserves and shall include but not be limited to the expense items set forth in Paragraphs 5.2 and 5.3 hereof. As soon as practicable after the close of each fiscal year, actual expenses shall be totalled and any overages or shortages of actual expenses and assessments made shall then be charged or credited to each Owner. The Board of Directors shall have the right to establish an escrow account for each Unit to which all assessments shall be paid.

The omission or failure of the Board of Directors to fix the assessment for any period shall not be deemed a waiver, modification or release of the Owners from their obligations to pay.

Fines and Individual Assessments may be assessed at any time as required and are exempt from any other voting requirements required for the assessment of other assessments called for under this Declaration.

(e) Non-Exemption: No Owner shall be relieved from payment of any assessment or charge by waiver or suspension of the use of any of the Common Elements or by the abandonment of his Unit.

5.4 Special Assessments: In addition to the assessments authorized above, the Board may levy in any assessment year, a special assessment applicable for the year only, for the purpose of defraying in whole or in part, any unexpected expense, to include but not to be limited to, the cost of any construction, reconstruction, repair or replacement of any of the Common Elements, provided

that such assessment shall have the assent of two-thirds (2/3) of the votes of the Class A Members (not including the Declarant) who are voting in person or by proxy at a meeting duly called for this purpose.

If The Project has been or is to be approved by the Federal Home Administration and/or Veterans Administration, then until the conversion of Class B Membership to Class A Membership, in accordance with Paragraph 4.5 hereof, any Special Assessment for capital improvements in addition to the two thirds (2/3) majority vote of the Class A Members as required above, will require the written consent of the Veterans Administration and/or the Federal Housing Administration.

The limitation set forth above shall not apply to any expenditures made by the Board of Directors for the maintenance and repair of the Common Elements and Limited Common Elements as set forth in Paragraph 5.3(a.) or for the repair in the event of damage, destruction, condemnation, and obsolescence as set forth in ARTICLE NINE.

5.5 Notice and Quorum Needed to Levy a Special Assessment. Written notice of any meeting called for the purpose of levying a Special Assessment shall be sent to all Class A Members not less than thirty days nor more than sixty days in advance of the meeting. At the first such meeting called, the presence of Class A Members or of proxies entitled to cast sixty percent (60%) of all the votes of Class A Membership shall constitute a quorum. A majority vote of the quorum shall control. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty days following the preceding meeting.

5.6 Uniform Manner of Assessment. Annual Assessments for Common Expenses and Special Assessments must be assessed in a uniform manner upon all Units which are subject to such Assessment, subject to the provisions of Paragraph 5.9 hereof.

5.7 Date of Commencement of Assessments; Prorations. The Annual Assessment for Common Expenses, as provided for herein, shall commence as to all Units within a Phase when the first Unit in such Phase is sold, leased or occupied as a residence subject to the provisions of Paragraph 5.9 hereof.

The Annual Assessment for Common Expenses, for the Units shall be prorated on the basis of the number of days in the Association's fiscal year remaining from the date of commencement of such Annual Assessment for Common Expenses to the end of the fiscal year.

5.8 Due Dates, Non-Payment of Assessments, Remedies of the Association.

(a) Fines and Individual Assessments shall be due and payable as established by the Board of Directors.

(b) All other assessments shall be due and payable on the first day of the period fixed by the Board of Directors for payment of the assessment which shall be monthly.

269

(c) Written notice of all assessments shall be sent to each Owner subject thereon specifying the type of assessment, the amount and the date such assessment is due.

The omission or failure of the Board of Directors to fix the assessment for any period shall not be deemed a waiver, modification or a release of the Owners from their obligation to pay.

(d) All assessments shall become delinquent unless paid within thirty (30) days of their due date. If such assessments are not paid within thirty days of the due date, they shall bear interest from the date of delinquency at a rate as fixed by the Board and uniformly applied not to exceed the rate of ten percent (10%) per annum.

In the event it shall become necessary for the Board to collect any delinquent assessments, whether by foreclosure of a lien herein created or otherwise, the delinquent Owner shall pay, in addition to the assessment, interest as herein provided, and all costs of collection including a reasonable attorney's fees and costs incurred by the Association in enforcing payment. In the event a "Notice of Lien" is required to be filed to enforce collection, the cost of preparation, filing and release shall be considered a cost of collection.

Failure to make payment within sixty (60) days of the due date thereof shall also cause the full amount of such Owner's Annual Assessment for Common Expenses for the remainder of that fiscal year to become due and owing at once at the option of the Board.

(e) The Association is hereby granted a lien against the Owner's Unit for any payment of an assessment which the Owner fails to make as required by this Declaration. The lien of the assessments together with interest, costs of collection, to include attorney's fees and Fines as provided for herein shall be subordinate to the lien of any loan evidenced by a first mortgage of record (including deed of trust) and to any executory land sales contract wherein the Administrator of Veterans Affairs (Veterans Administration) is seller, whether such contract is owned by the Veterans Administration or its assigns, and whether such contract is recorded or not. Such lien to attach at the time of the levy of the assessment, and continue until such assessment, together with interest, costs of collection, and reasonable attorney's fees are paid.

If a foreclosure action is filed to foreclose any assessment lien, and an Owner abandons or leaves vacant his Apartment, the Board may take possession and rent said Apartment or apply for the appointment of a receiver for the Apartment without prior notice to the Owner. The rights of the Association shall be expressly subordinate to the rights of any First Mortgagee as set forth in his deed of trust or mortgage (including any assignment of rents) which creates that First Mortgagee's interest in the Apartment.

In addition to the lien herein granted, the Board shall have the right to bring an action at law against any Owner who fails to pay any amounts assessed against his Unit, and obtain judgment for the amount of the assessments due plus attorneys' fees and costs as herein provided. The Board shall have the power to bid at the foreclosure sale, and if title is obtained, hold, lease, mortgage and encumber or convey the same.

278
(f) In the event an Owner is in default on any obligation secured by an encumbrance on his Unit, the Board, at its option, may pay the amount due on said obligation and shall have a lien against the Unit which lien shall attach in the manner as provided for unpaid assessments.

(g) The lien accruing hereunder shall be foreclosed upon as provided by the laws of the State of Colorado for foreclosure of mortgages on real property.

(h) The lien of all assessments created and defined by this Declaration shall be superior to any homestead exemption as is now or may hereafter be provided by Colorado or Federal law. The acceptance of a deed to land subject to this Declaration shall constitute a waiver of the homestead exemption as against said assessment lien.

(i) Sale or transfer of an interest in any Unit shall not affect the liens for unpaid assessments except that sale or transfer of any Unit pursuant to mortgage foreclosure or any proceeding in lieu of foreclosure or cancellation or forfeiture of an executory land sales contract by a First Mortgagee shall extinguish the lien of all unpaid assessments as to assessments which became due prior to such transfer of title or cancellation or forfeiture of executory land sales contract i.e. the date the First Mortgagee acquires fee simple title to the Unit. Provided however, the Association shall still have the right to recover such amount from the delinquent Owner. No transfer of title, or cancellation or forfeiture of executory land sales contract shall relieve such Unit from liability for any assessments thereafter becoming due or from the lien thereof.

Any such delinquent assessments which were extinguished pursuant to the foregoing provisions may be reallocated and assessed to all Owners as part of the Annual Assessment for Common Expenses.

(j) The Association shall upon demand, and for a reasonable charge, furnish to an Owner, or his First Mortgagee, a certificate signed by an officer of the Association setting forth whether the assessments on a specified Unit have been paid. A properly executed certificate of the Association as to the status of assessments on a Unit is binding upon the Association as of the date of its issuance.

5.9 Declarant's Obligations. The Declarant for each Unit owned within each Phase of The Project, shall pay to the Association, twenty-five percent (25%) of the Annual Assessment for Common Expenses until such time as the Unit is sold, leased or occupied as a residence. Upon the happening of any of the above, such Unit shall be liable for the payment of the full Annual Assessment for Common Expenses.

The Declarant agrees that it has a binding obligation and a duty to pay any deficit or shortage that may arise in connection with the estimated budget prepared for the initial period of the operation of the Association. The obligation of the Declarant to subsidize the obligations of the Association shall terminate upon the conversion of the Class B Membership to Class A Membership in accordance with Paragraph 4.5 hereof.

5.10 Working Capital Fund. The Association shall establish a Working Capital Fund to cover the costs of the initial period of The Project's operation. Each Unit's contribution to the Fund shall be equal to at least a two month's portion of the Annual Assessment for Common Expenses for such Unit. Each Unit's contribution shall be collected and transferred to the Association at the time of

the closing of the sale of such Unit and be maintained in a segregated account for the use and benefit of the Association. The purpose of the Fund is to insure that the Association will have cash available to meet unforeseen expenditures or to acquire additional equipment or services deemed necessary or desirable by the Board. Contributions paid into the Fund are not considered as advance payments of the Annual Assessment for Common Expenses and each Owner must pay the Annual Assessment for Common Expenses as the same becomes due.

5.11 No Offsets. All Assessments shall be payable in the amounts specified in the levy thereof, and no offsets or reduction thereof shall be permitted for any reason including, without limitation, any claim that the Association or the Board of Directors is not properly exercising its duties and powers under this Declaration.

6.8 Restrictions on Signs. No signs or advertising of any nature shall be erected or maintained on any part of The Project without the prior written consent of the Board of Directors. The Board shall permit the placing of at least one sign of reasonable size and dignified form to identify The Project and the Units therein.

6.9 Owner Caused Damages. If, due to the act or neglect of an Owner or such Owner's guests as defined by Paragraph 1.13 hereof, loss or damage shall be caused to any person or property, including The Project or any Condominium Apartment therein, such Owner shall be liable and responsible for the payment of same. The amount of such loss or damage, together with costs of collection and reasonable attorney's fees, if necessary, may be collected by the Board of Directors from such Owner as an Individual Assessment against such Owner in accordance with Paragraph 5.3(b) hereof.

Determination with respect to whether or not a particular activity or occurrence shall constitute a violation of this Paragraph 6.9 shall be made by the Board of Directors and shall be final.

6.10 Garage Spaces. Each Owner shall maintain the interior of his garage space in a clean, safe and attractive condition and shall keep the same free from litter and debris. The Association shall have the power to establish reasonable rules and regulations relating to the sightliness and cleanliness of the garage space and the use thereof by its Owner. All garage doors must remain closed at all times except when cars are entering or exiting the garage space.

No gasoline, gasahol, distillate, diesel, kerosine, naptha or similar volatile combustibile or explosive materials shall be stored in any garage space except in the fuel tanks of vehicles parked therein and used for transportation purposes or one container of outdoor grill fuel starter of no more than two liter capacity.

6.11 Parking. Automobile and/or truck parking will be subject to regulations and restrictions by the Board of Directors.

ARTICLE SEVEN: INSURANCE

7.1 Authority to Purchase/General Requirements. Except as otherwise provided in Paragraph 7.7 hereof, all insurance policies relating to The Project shall be purchased by the Board of Directors. The Board of Directors, the Managing Agent and the Declarant shall not be liable for failure to obtain any coverages required by this Article or for any loss or damage resulting from such failure if such failure is due to the unavailability of such coverages from reputable insurance companies, or if such coverages are so available only at demonstrably unreasonable cost. The Board of Directors shall promptly furnish to each Unit Owner written notice of the procurement of, subsequent changes in, or termination of, insurance coverages obtained on behalf of the Association.

The Board of Directors shall not obtain any policy where (a) under the terms of the insurance company's charter, bylaws or policy, contributions or assessments may be made against the Association, Unit Owner, First Mortgagee or such First Mortgagee's successor and assigns, or (b) by the terms of carrier's charter, bylaws or policy, loss payments are contingent upon action by the carrier's Board of Directors, policyholders or members; or (c) the policy includes any limiting clauses (other than insurance conditions) which could prevent Owners or First Mortgagees, their successors and assigns from collecting insurance proceeds.

Each such policy shall provide that:

- a) The insurer to the extent possible waives any right to claim by way of subrogation against the Declarant, the Association, the Board of Directors, the Managing Agent or the Unit Owners, and their respective agents, employees, guests and, in the case of the Unit Owners, the members of their households;
- b) Such policy shall not be cancelled, invalidated or suspended due to the conduct of any Unit Owner (including his invitees, agents and employees) or of any member, officer or employee of the Board of Directors or the Managing Agent without a prior demand in writing that the Board or the Managing Agent cure the defect and neither shall have so cured such defect within thirty days after such demand;
- c) Such policy may not be cancelled or substantially modified (including cancellation for nonpayment of premium) without at least thirty days prior written notice to the Board of Directors, the Managing Agent and to each First Mortgagee listed as a scheduled holder of a first mortgage in the policy.
- d) The Declarant, so long as Declarant shall own any Unit, shall be protected by all such policies as a Unit Owner.

All policies of insurance shall be written by reputable companies duly authorized and licensed to do business in the State of Colorado and be in a financial category as designated by BEST'S KEY RATING GUIDE, of Class X-B or better.

The deductible, if any, on any insurance policy shall be as the Directors determine to be consistent with good business practice and which shall be consistent with the requirements of the First Mortgagees. Any loss falling within the deductible portion of a policy shall be borne by the person or entity who is responsible for the repair and maintenance of the property which was damaged or

destroyed. In the event of a joint duty of repair and maintenance of the property damaged or destroyed then the deductible shall be borne by the Association.

The name of the insured under the policies shall be the Association for the use and benefit of the individual Owners. Any loss covered by the policies carried under these Articles shall be adjusted by the Association, and the insurance proceeds for that loss shall be payable to the Association as trustee for each Unit Owner and such Owner's First Mortgagee. Each Unit Owner and such Owner's First Mortgagee, if any, shall be beneficiaries of the insurance policy or policies according to each Owner's interest as such interests appear in the policy or policies, or in the event separate interests are not designated in the policy, then pro rata according to each Owner's percentage interest in the Common Elements.

All insurance policies shall contain the standard mortgage clause or equivalent endorsement (without contribution) in which it appropriately names the First Mortgagee in the policy, its successors and assigns.

7.2 Property Insurance. The Board of Directors shall obtain and maintain a blanket, "all-risk" form policy of fire insurance with extended coverage, vandalism, malicious mischief, windstorm, sprinkler leakage (if applicable), debris removal, cost of demolition and water damage endorsements, covering all the Common Elements and Limited Common Elements (except land, foundation, excavation and other items normally excluded from coverage), including fixtures and building service equipment to the extent that they are part of the Common Elements, as well as common personal property and supplies, and other common personal property belonging to the Association. Such insurance shall be in the amount of the full replacement cost, as defined below, to include all fixtures, installations or additions comprising a part of the individual Apartment within the Apartment initially installed or replacements thereof, in accordance with the original plans and specifications, or installed by or at the expense of the Unit Owner. All references herein to a "blanket" type policy of property insurance, are intended to denote "Single Entity" condominium insurance coverage.

In addition, any fixtures, equipment or other property within the Units which are to be financed by a First Mortgagee (regardless of whether or not such property is a part of the Common Elements) must, be covered in such "blanket" policy.

Such insurance shall at all times represent 100 percent of the replacement cost of The Project based on the most recent appraisal of the entire Project. The replacement cost shall not include values for land, foundation, excavation and other items normally excluded thereof and shall be without deduction for depreciation and with no provision for co-insurance. The Board of Directors shall review at least annually all of its insurance policies in order to insure that the coverages contained in the policies are sufficient. The Board of Directors shall consistent with good business practices, and at reasonable intervals obtain a written appraisal for insurance purposes, which shall be maintained as a permanent record, showing that the insurance represents 100 percent (100%) of the replacement cost of The Project as defined above.

Such policies shall also provide:

- a) The following endorsements or their equivalent: No Control Endorsement, Contingent Liability from Operation of Building Laws or Codes

Endorsement, Increased Cost of Construction Endorsement, Agreed Amount Endorsement, Cost of Demolition Endorsement, and Inflation Guard Endorsement if available.

b) That any "no other insurance" clause expressly exclude individual Unit Owners' policies from its operation so that the physical damage policy purchased by the Board of Directors shall be deemed primary coverage and any individual Unit Owners' policies shall be deemed excess coverage, and in no event shall the insurance coverage obtained and maintained by the Board of Directors hereunder provide for or be brought into contribution with insurance purchased by individual Unit Owners or their First Mortgagees, unless otherwise required by law.

c) A duplicate original of the policy of physical damage insurance, all renewals thereof, and any subpolicies or certificates and endorsements issued thereunder, together with proof of payment of premiums, shall be delivered by the insurer to any Unit Owner and First Mortgagee requesting the same, at least thirty days prior to expiration of then current policy.

The Association shall hold any insurance proceeds received in trust for the Owners and First Mortgagees as their interests may appear. The proceeds shall be disbursed first for the repair or restoration of the damaged Common Elements and Apartments. Owners and First Mortgagees are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the Common Elements and Apartments have been repaired or restored or The Project is terminated.

7.3 Liability Insurance. The Board of Directors shall obtain and maintain comprehensive general liability insurance (including libel, slander, false arrest, and invasion of privacy) and property damage insurance covering all of the Common Elements, and public ways of The Project and commercial spaces owned by the Association whether or not they are leased to some third party insuring each officer, director, the Managing Agent and each Unit Owner, to include the Declarant in its capacity as a Unit Owner. Such coverage under this policy shall include, without limitation, the legal liability of the insureds for property damage, bodily injuries and deaths of persons in connection with the operation, maintenance or use of the Common Elements and the legal liability arising out of lawsuits relating to employment contracts of the Association.

Such insurance shall be issued on a comprehensive liability basis. Additional coverages may be required to include protection against such other risks as are customarily covered with respect to Projects similar in construction, location and use, including, but not limited to, host liquor liability coverage with respect to events sponsored by the Association, contractual and all-written contract insurance, employer's liability insurance and comprehensive automobile liability insurance and a severability of interest endorsement.

The Board of Directors shall review such limits once each year, but in no event shall such insurance be less than one million (\$1,000,000) dollars covering all claims for bodily injury, including deaths of persons and property damage arising out of a single occurrence. Reasonable amounts of "umbrella" liability insurance in excess of the primary limits may also be obtained.

7.4 Fidelity Bonds. The Board of Directors shall obtain and maintain adequate fidelity bond coverage, to protect against dishonest acts on the part of the directors, officers, trustees, and employees of the Association and all others who handle or are responsible for handling funds of the Association, provided however, the Board of Directors shall not maintain fidelity coverage to cover any Managing Agent.

Such fidelity coverage shall name the Association as an obligee, be written in an amount which the Association deems consistent with good business practices and satisfies the requirements of the First Mortgagees, and contain waivers of any defense based upon the exclusion of persons who serve without compensation from any definition of "employee" or similar expression.

In the event the Association has delegated some or all of its responsibility for the handling of funds to a Managing Agent, such fidelity bond shall be required for its officers, employees and agents handling or responsible for funds of or administered on behalf of the Association.

7.5 Other Insurance.

a) If The Project is located in an area identified by the Secretary of Housing and Urban Development as an area having special flood hazards and the sale of flood insurance has been made available under the National Flood Insurance Act of 1968, a "blanket" policy of flood insurance on The Project shall be obtained in an amount which is the lesser of the maximum amount of insurance available under the Act or the aggregate of the unpaid principal balances of the mortgages on the Units comprising The Project;

b) Workmen's compensation and Employer's Liability Insurance and all other similar insurance with respect to employees of the Association in the amounts and in the forms now or hereafter acquired by law;

c) adequate Directors and Officers liability insurance, if available, and if deemed consistent with good business practices, for errors and omissions on all Directors and Officers to be written in an amount which the Association deems adequate;

d) broad form machinery and pressure vessel explosion insurance (if applicable) in an amount not less than fifty thousand dollars (\$50,000) per accident per location;

e) such other insurance of a similar or dissimilar nature, as the Board of Directors shall deem appropriate with respect to The Project.

7.6 Payment of Insurance Premiums. The cost of the insurance obtained by the Association in accordance with this Article, except for premiums on fidelity bonds maintained by a Managing Agent for its officers, employees and agents, shall be paid from Association funds and be collected from the Owners as part of the Annual Assessment for Common Expenses as provided for in Paragraph 5.3(a) hereof.

7.7 Separate Insurance. Each Unit Owner shall have the right, at his own expense, to obtain insurance for his own Unit and for his own benefit and to

obtain insurance coverage upon his personal property, furnishings and for his personal liability provided, however, that no Unit Owner shall be entitled to exercise his right to acquire or maintain such insurance coverage so as to decrease the amount which the Board of Directors, on behalf of all Unit Owners, may realize under any insurance policy maintained by the Board or to cause any insurance coverage maintained by the Board to be brought into contribution with insurance coverage obtained by a Unit Owner. All such policies shall contain waivers of subrogation. No Unit Owner shall obtain separate insurance policies except as provided in this Paragraph.

ARTICLE EIGHT: MAINTENANCE, REPAIR, REPLACEMENT, ADDITIONS AND ALTERATIONS

8.1 By the Association. The Association shall be responsible for the maintenance, repair and replacement (unless, if in the opinion of not less than two-thirds (2/3) of all of the Board of Directors such expense was necessitated by the negligence, misuse or neglect of a Unit Owner) of all of the Common Elements including the Limited Common Elements as defined herein, whether located inside or outside of the Units, the cost of which shall be charged to all Unit Owners as part of the Annual Assessment for Common Expenses; provided, however, that each Unit Owner shall perform normal maintenance on the Limited Common Elements appurtenant to his Unit and any portion of the remaining Common Elements which the Board of Directors pursuant to the Rules and Regulations has given him permission to utilize.

8.2 By the Unit Owner.

a) Each Unit Owner shall keep his Unit and its equipment, appliances and appurtenances in good order, condition and repair and in a clean and sanitary condition, and shall do all redecorating and painting which may at any time be necessary to maintain the good appearance and condition of his Unit. In addition, each Unit Owner shall be responsible for all damage to any other Units or to the Common Elements resulting from his failure or negligence to make any of the repairs required by this Paragraph. Each Unit Owner shall perform his responsibility in such manner as shall not unreasonably disturb or interfere with the other Unit Owners. Each Unit Owner shall promptly report to the Board of Directors or the managing agent any defect or need for repairs for which the Association is responsible.

b) The Unit Owner of any Unit to which a Limited Common Element is appurtenant shall perform the normal maintenance for such Limited Common Element, including keeping it in a clean and sanitary condition, and shall also make all repairs thereto caused or permitted by his negligence, misuse or neglect. In the event any Owner shall fail to maintain or keep in good repair his Limited Common Element in a manner satisfactory to the Board of Directors, the Board of Directors shall have the right and duty, upon approval by a two-thirds (2/3) vote of the total vote of all of the Directors to enter into said Limited Common Element and repair, maintain, replace or restore said Limited Common Element. The cost of such maintenance, replacement, repair and restoration shall be chargeable to such Owner by Individual Assessment in accordance with Paragraph 5.3(b) hereof.

All structural repair or replacement shall be made by the Association and charged as part of the Annual Assessment for Common Expenses in accordance with Paragraph 5.3(a).

c) Any Unit Owner permitted by the Board of Directors to use a specific portion of the Common Elements for storage is responsible for the use of such portion in a safe and sanitary manner.

8.3 Schedule of Maintenance Responsibilities. Notwithstanding the general provisions for maintenance set forth above, specific maintenance responsibilities and the costs attributable thereto shall, to the extent set forth thereon, be determined pursuant to the Schedule of Maintenance Responsibilities attached as Exhibit C hereto.

8.4 Manner of Repair and Replacement. All repairs and replacements shall be substantially similar to the original construction and installation and shall be of first-class quality, but may be done with contemporary building materials and equipment.

8.5 Additions, Alterations or Improvements by the Unit Owners (Architectural Control). No Unit Owner shall make any structural addition, or alteration or improvement in or to his Unit without the prior written consent of the Board of Directors. No Unit Owner shall paint or alter the exterior of his Unit, including the doors and windows, nor shall any Unit Owner paint or alter the exterior of any building, without the prior written consent of the Board of Directors.

The Board of Directors shall be obligated to answer any written request by a Unit Owner for approval of a proposed structural addition, alteration or improvement within thirty days after such request, and failure to do so within the stipulated time shall constitute approval by the Board of Directors of such proposed structural addition, alteration or improvement.

If any application to any governmental authority for a permit to make any such structural addition, alteration or improvement in or to any Unit requires execution by the Association, and provided consent has been given by the Board of Directors, then the application shall be executed on behalf of the Association by an authorized Officer only, without however incurring any liability on the part of the Board of Directors, the Association or any of them to any contractor, subcontractor or materialman on account of such addition, alteration or improvement, or to any person having claim for injury to person or damage to property arising therefrom.

8.6 Private Patios. Notwithstanding the above, each Condominium Unit shall have a fenced patio as a Limited Common Element. It shall be the responsibility of the Owner to landscape and maintain this patio in a manner acceptable to the Board of Directors. Landscaping shall be completed within one year of the date of occupancy of the Unit by the original purchaser. All landscaping plans must be approved by the Board of Directors prior to the commencement of the landscaping in accordance with Paragraph 8.5 hereof.

In the event the Unit Owner fails to install the landscaping in the time period prescribed above or in the event the Unit Owner fails to properly maintain such landscaping in a manner satisfactory to the Board of Directors then the Board of Directors shall have the right and duty to install and/or maintain such landscaping and charge the Owner therefore in accordance with Paragraph 8.2(b) hereof.

ARTICLE NINE: DAMAGE, DESTRUCTION, CONDEMNATION AND OBSOLESCENCE

9.1 Association as Attorney-in-Fact. This Declaration does hereby make mandatory the irrevocable appointment of an attorney-in-fact to deal with The Project upon its damage, destruction, condemnation and obsolescence.

Title to any Unit is declared and expressly made subject to the terms and conditions hereof, and acceptance by any grantee of a deed from the Declarant or from any Owner shall constitute appointment of the attorney-in-fact herein provided. All of the Owners irrevocably constitute and appoint the Association, in their names, place and stead for the purpose of dealing with The Project upon its damage, destruction, condemnation and obsolescence as is hereinafter provided. As attorney-in-fact, the Association, by its president and secretary, shall have full and complete authorization, right and power to make, execute and deliver any contract, deed or any other instrument with respect to the interest of an Owner which is necessary and appropriate to exercise the powers herein granted.

The Association, as their attorney in fact, shall represent the Owners in any condemnation proceedings or in any negotiations, settlements and agreements with the condemning authority for the acquisition of the Common Elements or any part thereof.

The Annual Assessment for Common Expenses shall not be abated during the period of insurance adjustment or repair and reconstruction.

9.2 Damage, Destruction, Reconstruction and Repair.

a) Repair and reconstruction of The Project as used in the following paragraphs means restoring The Project substantially in accordance with this Declaration and in accordance with the original plans and specifications for the Project unless other action is approved by Owners of Units to which at least 80% of the votes in the Association are allocated and the approval of First Mortgagees holding mortgages on Units which have at least eighty percent (80%) of the votes of the Units subject to first mortgages within the Project.

The proceeds of any insurance collected shall be available to the Association for the purpose of repair, restoration or replacement unless the Owners and the First Mortgagees agree not to rebuild in accordance with the provisions of Paragraph 9.2(e) below.

b) In the event of damage to or destruction of The Project to the extent of not more than sixty-six and two-thirds percent (66 2/3%) of the total replacement cost thereof, not including land, due to fire or other disaster, the Association shall promptly repair and reconstruct the same in a workmanlike manner. The Association shall have full authority, right and power, as Attorney-in-Fact to cause the repair and reconstruction of The Project using the insurance proceeds. If the insurance proceeds are insufficient to repair and reconstruct The Project, such damage and destruction shall be promptly repaired and reconstructed by the Association as Attorney-in-Fact, using the proceeds of insurance and the proceeds of a Deficiency Assessment to be made against all of the Owners and their Units as more fully defined in Paragraph 9.2(f). The Association shall have full authority, right and power, as Attorney-in-Fact, to cause the repair or

reconstruction of The Project using all of the insurance proceeds and such assessment.

c) In the event of damage to or destruction of The Project to the extent of more than sixty-six and two-thirds percent (66 2/3%) of the total replacement cost thereof, not including land due to fire or other disaster and insurance proceeds are sufficient to fully cover the costs of such repair or reconstruction, then the Association shall promptly repair or reconstruct The Project.

d) In the event of damage to or destruction of The Project to the extent of more than sixty-six and two-thirds percent (66 2/3%) of the total replacement costs thereof, not including land, due to fire or other disaster and the insurance proceeds are not sufficient to fully cover the costs of such repair or reconstruction, the Association, upon due notice to all Owners and giving them an opportunity to be heard, shall adopt and record a written "Plan for Reconstruction". All of the Owners shall be bound by the terms and other provisions of such Plan and the Association shall promptly repair or reconstruct The Project unless The Project is disposed of in accordance with Paragraph 9.2(e). The Association shall have the right to use, in accordance with such Plan, all proceeds of insurance for such repair and reconstruction, as well as the proceeds of a Deficiency Assessment to be made against all of the Owners and their Units as more fully defined in Paragraph 9.2(f). The Association shall have full authority, right and power, as Attorney-in-Fact, to cause the repair or reconstruction of The Project using all of the insurance proceeds for such purpose not withstanding the failure of any Owner to pay the Deficiency Assessment.

e) In the event of damage to or destruction of The Project to the extent of more than sixty-six and two-thirds percent (66 2/3%) of the total replacement costs thereof, not including land, due to fire or other disaster and the insurance proceeds are not sufficient to fully cover the costs of such repair or reconstruction, and the Owners of Units to which at least eighty percent (80%) of the votes in the Association are allocated, upon due notice to all Owners and First Mortgagees and giving them an opportunity to be heard, adopt and record a written "Declaration not to Rebuild", which Declaration has the approval of those First Mortgagees holding mortgages on Units which have at least eighty percent (80%) of the votes of the units subject to first mortgages within The Project, the entire remaining Project shall be sold by the Association as Attorney-in-Fact for all Owners, free and clear of the provisions contained in this Declaration, the Map, the Articles of Incorporation and Bylaws and the legal status of The Project terminated.

The insurance settlement proceeds shall be collected by the Association and such proceeds shall be divided by the Association according to each Owner's interest (as such interests appear in the policy or policies, or in the event separate interests are not designated in the policy, then pro rata according to each Owner's percentage interest in the Common Elements), and such divided proceeds shall be paid into separate accounts, each such account representing one of the Units. Each such account shall be in the name of the Association, and shall be further identified by the Unit designation and the name of the Owner. Thereafter, each such account shall be supplemented by the apportioned amount of the proceeds derived from the sale of the entire Project. Such apportionment shall be based upon each Owner's percentage interests in the Common Elements. The total funds of each account shall be used and disbursed, without contribution from one account to another, by the Association, as Attorney-in-Fact, for the

412

same purposes and in the same order as is provided in Paragraph 10.6 hereof. The provisions contained in this Paragraph shall not hinder the protection given to a First Mortgagee under a mortgage endorsement, and no Owner or any other party shall be entitled to priority over First Mortgagees with respect to any such distribution of insurance proceeds.

f) The Deficiency Assessment made in connection with such repair and reconstruction as provided for in Paragraphs 9.2(b) and 9.2(d) shall be a part of the Annual Assessment for Common Expenses and shall be levied pursuant to Paragraph 5.3(a) hereof and shall be due and payable as provided in such assessment but not sooner than thirty (30) days after written notice thereof. Such Deficiency Assessment shall not be considered a Special Assessment and such assessment shall be exempt from any special voting requirements of the Owners. Further assessments may be made in like manner if the amounts collected prove insufficient to complete the repair and reconstruction. In the event amounts collected are in excess of the amounts required for such repair and reconstruction, the excess shall be returned to the Owners by the Association in the same proportion as the assessment levied. The Deficiency Assessment provided for herein shall be a debt of each Owner and a lien on his Unit and may be enforced and collected as is provided in Paragraph 5.8 hereof. Such lien shall have the same priority as that provided for in Paragraph 5.8 hereof.

9.3 Condemnation.

(a) If at any time or times during the continuance of condominium ownership pursuant to this Declaration, all or any part of The Project shall be taken or condemned by any public authority or sold or otherwise disposed of in lieu of or in avoidance thereof, the provisions of this Article shall apply.

(b) The Association, as their attorney in fact, shall represent the Owners in any condemnation proceedings or in any negotiations, settlements and agreements with the condemning authorities for the acquisition of the Common Elements on any part thereof.

(c) All compensation, damages, or other proceeds therefrom, the sum of which is hereinafter called the "Condemnation Award" shall be payable to the Association as attorney-in-fact to be held in trust for the use and benefit of the Owners and First Mortgagees as their interests shall appear. No Owner or any other party shall be entitled to priority over First Mortgagees with respect to any distribution of the Condemnation Award.

(d) In the event that the entire Project is taken or condemned, sold or otherwise disposed of in lieu of or in avoidance thereof, condominium ownership pursuant to this Declaration shall terminate. The Condemnation Award shall be apportioned among the Owners in accordance with Paragraph 10.5, provided that if a standard different from the value of The Project as a whole is employed to measure the Condemnation Award in the negotiation, judicial decree, or otherwise, then in determining such share the same standard shall be employed to the extent it is relevant and applicable.

The Association shall as soon as practicable determine the share of the Condemnation Award to which each Owner is entitled. Such shares shall be paid into separate accounts and disbursed as soon as practicable in the same manner provided in Paragraph 10.6 of this Declaration.

(e) In the event that less than the entire Project is taken or condemned, sold or otherwise disposed of in lieu of or in avoidance thereof, the condominium ownership hereunder shall not terminate unless terminated in accordance with ARTICLE TEN hereof. If not terminated, each Owner shall be entitled to a share of the Condemnation Award to be determined in the following manner: (a) as soon as practicable the Association shall, reasonably and in good faith, allocate the Condemnation Award between compensation, damages or other proceeds, and shall apportion the amounts so allocated to the taking of or injury to the Common Elements among Owners in proportion to their respective undivided interests in the Common Elements, (b) the total amount allocated to severance damages shall be apportioned to those Units which were not taken or condemned, (c) the respective amounts allocated to the taking of or injury to a particular Unit and/or improvements an Owner had made within his own Unit shall be apportioned to the particular Unit involved, and (d) the amount allocated to the consequential damages and any other takings or injuries shall be apportioned as the Association determines to be equitable in the circumstances. If a judicial decree or otherwise, then in allocating the Condemnation Award the Association shall employ such allocation to the extent it is relevant and applicable. The Association shall, as soon as practicable, determine the share of the Condemnation Award to which each Owner is entitled. Such shares shall be paid into separate accounts and distributed in the same manner as provided in Paragraph 10.6 hereof.

Any restoration or repair of the remaining Common Elements shall be performed substantially in accordance with this Declaration and in accordance with the original plans and specifications unless other action is approved by Owners representing an aggregate ownership interest of eighty percent (80%) or more of the Common Elements and by First Mortgagees holding mortgages on Units which have at least eighty percent (80%) of the votes of the Units subject to first mortgages within The Project.

9.4 Reorganization/Reallocation. In the event a partial taking by condemnation or by damage or destruction which is not rebuilt results in the taking of a complete Condominium Apartment, the Owner thereof automatically shall cease to be a member of the Association, and that Unit's entire Common Element interest, votes in the Association, and Annual Assessment Common Expenses liability are automatically reallocated to the remaining Units in proportion to their respective Common Element interests before the taking and the Board of Directors shall promptly prepare, execute and record an amendment to the Declaration reflecting the reallocations. Any remnant of an Apartment remaining after part of an Apartment is taken under this Paragraph is thereafter a Common Element.

9.5 Obsolescence and Reconstruction. The Owners of Units to which at least eighty percent (80%) of the votes in the Association are allocated may agree, upon due notice to all Owners and granting them an opportunity to be heard that the Units are obsolete and adopt and record a written "Plan for Renewal and Reconstruction", which Plan must have the approval of those First Mortgagees holding mortgages on Units which have at least eighty percent (80%) of the votes of the Units subject to First Mortgagees within The Project. Written notice of adoption of such Plan shall be given to all of the Owners. The expense of renewal or reconstruction shall be payable by all of the Owners as an Annual Assessment for Common Expenses whether or not such Owner may have previously consented to such Plan. The assessment shall be levied, allocated and collected in the same manner as a Deficiency Assessment as provided for in Paragraph 9.2(f) hereof.

ARTICLE TEN: TERMINATION OF THE CONDOMINIUM PROJECT

10.1 Vote of Unit Owners and First Mortgagees. Except in the case of a taking of all the Units by condemnation or by fire or other casualty, The Project may be terminated only by agreement of the Owners of Units to which at least eighty percent (80%) of the votes in the Association are allocated. Such an agreement must have the approval of those First Mortgagees holding mortgages on Units which have at least eighty percent (80%) of the votes of the Units subject to first mortgages within the Project.

10.2 Termination Agreement. An agreement of Owners to terminate condominium ownership must be evidenced by their execution of a termination agreement or ratifications thereof. If, pursuant to a termination agreement, the real estate constituting The Project is to be sold following termination, the termination agreement must be recorded in every county in which a portion of The Project is situated, and is effective only upon recordation.

10.3 Sale of The Project. The Association, on behalf of the Owners, may contract for sale of The Project, but the contract is not binding on the Owners until approved pursuant to Paragraphs 10.1 and 10.2. If the real estate constituting The Project is to be sold following termination, title to that real estate, upon termination, vests in the Association as trustee for the holders of all interest in the Units. Thereafter, the Association has all powers necessary and appropriate to effect the sale. Until the sale has been concluded and the proceeds thereof distributed, the Association continues in existence with all powers it had before termination. Proceeds of the sale shall be apportioned among the Owners in accordance with Paragraph 10.5 of this Declaration. Unless otherwise specified in the termination agreement, as long as the Association holds title to the real estate, each Owner and his successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted his Unit. During the period in which the Owner has the right of occupancy, each Owner and his successors in interest remain liable for all assessments and other obligations imposed on Owners by the Declaration.

10.4 Project not to be Sold. If The Property constituting The Project is not to be sold following termination, title to The Property, upon termination, vests in the Owners as tenants in common in proportion to their respective Common Element interests and liens on the Units shift accordingly. While the tenancy in common exists, each Owner and his successors in interest have an exclusive right to occupancy of the portion of The Property that formerly constituted his Unit.

10.5 Determination of Unit Owner's Interests. The respective interests of Owners referred to in Paragraphs 10.3, 10.4 and 10.6 are pro rata according to each Owner's percentage interest in the Common Elements immediately before termination.

10.6 Distribution to Owners. Following termination of The Project, the proceeds derived from the sale shall be divided in proportion to the Owner's respective interests as provided in Paragraph 10.5, and shall be used and disbursed by the Association, as Attorney-in-Fact, in the following order:

- a) for payment of the balance of the lien of any first mortgage;

- b) for payment of reasonable costs of sale incurred;
- c) for payment of taxes and special assessment liens in favor of any assessing entity;
- d) for payment of unpaid assessments;
- e) for payment of junior mortgages and encumbrances in the order of and to the extent of their priority;
- f) the balance remaining, if any, shall be paid to the Owner.

The proceeds of sale described in Paragraph 10.3 and held by the Association as trustee are not assets of the Association.

ARTICLE ELEVEN: CERTAIN RIGHTS OF THE FIRST MORTGAGEES

11.1 Entitlement. A First Mortgagee, upon written request by such First Mortgagee to the Association, shall be entitled to timely receive any of the following:

- (a) Budgets, notices of assessments, or any other notices provided for under this Declaration by the Association to the Owner of a Condominium Unit in which a First Mortgagee has a security interest.
- (b) Financial statements of the Association which are prepared for the Association and distributed to its Members.
- (c) Notices of meetings of the membership and the right to be represented at any meeting by a designated representative.
- (d) Notice of the decision of the Owners to make any material amendment to this Declaration, the Bylaws, or the Articles of Incorporation of the Association.
- (e) Notice of the commencement of any condemnation proceedings with respect to any part of The Project.
- (f) Notice of any default by an Owner of a Unit in which a First Mortgagee has a security interest in the performance of any obligations under this Declaration, the Articles of Incorporation and/or Bylaws of the Association, which remains uncured for a period of sixty days.
- (g) Notice of any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association.
- (h) Notice of any condemnation loss or any casualty loss which affects a material portion of The Project or any Unit in which a First Mortgagee has a security interest.
- (i) Notice of any proposed action contained in Paragraphs 11.2 and 11.3 hereof, requiring the consent of the First Mortgagees.

The request of a First Mortgagee shall specify which of the above it desires to receive and shall indicate the address to which same shall be sent by the Association. Failure of the Association to provide any of the foregoing to a First Mortgagee who has made a proper request therefor shall not affect the validity of any action which is related to any of the foregoing. The Association need not inquire into the validity of any request made by a First Mortgagee hereunder and in the event of multiple requests from the purported First Mortgagees of the same Condominium Unit, the Association shall honor the most recent request received.

11.2 Restrictions on Amendments. The following restrictions do not apply to amendments to the Declaration made in accordance with ARTICLE NINE and ARTICLE TEN hereof, or to a reallocation of interests in the Common Elements which might occur pursuant to any plan of expansion in accordance with ARTICLE TWELVE hereof.

The consent of the Owners of Units to which at least eighty percent (80%) of the votes in the Association are allocated and the approval of those First Mortgagees holding mortgages on Units which have at least eighty percent (80%) of the votes of the Units subject to first mortgages within The Project shall be required to add or amend any material provisions of the Declaration, Bylaws, Articles of Incorporation or The Map which establish, provide for, govern or regulate any of the following:

- (a) Assessments, manner of assessment assessment liens or subordination of such liens;

- (b) Reserves for maintenance, repair and replacement of the Common Elements;
- (c) Insurance or Fidelity Bonds;
- (d) Right to use of the Common Elements;
- (e) Responsibility for maintenance and repair of The Project;
- (f) Subject to the provisions of ARTICLE TWELVE hereof the expansion or contraction of The Project or the addition, or annexation or withdrawal of property to and from The Project;
- (g) Boundaries of any Unit and the exclusive easement rights appertaining thereto;
- (h) Leasing of Condominium Apartments and Uses to which an Apartment or the Common Elements are restricted;
- (i) Imposition of any right of first refusal or similar restriction on the right of an Owner to sell, transfer, or otherwise convey a Unit;
- (j) A decision by the Association to establish self management when professional management had been required previously by a First Mortgagee;
- (k) Restoration or repair of The Project (after a hazard damage or partial condemnation) in a manner other than that specified in the Declaration;
- (l) Any action to terminate the legal status of The Project after substantial destruction or condemnation occurs; or
- (m) Any provision in this Declaration, Articles of Incorporation or Bylaws which are for the express benefit of First Mortgagees hereunder.

11.3 Special FHLMC Provision. So long as required by The Mortgage Corporation, the following provisions apply in addition to the provisions of Paragraph 11.2 above. Unless eighty percent (80%) of the First Mortgagees (based upon one vote for each first mortgage owned) or Owners (other than the Declarant) give their prior written approval, the Association shall not be entitled to:

- (a) Use hazard insurance proceeds for losses to the improvements insured by the Association for other than repair, replacement or reconstruction of such improvements;
- (b) Partition or subdivide any Condominium Unit;
- (c) By act or omission seek to abandon, partition, subdivide, encumber, sell or transfer any of the Common Elements, except that approval shall not be required for the Board of Directors to grant easements for utilities and similar or related purposes;
- (d) By act or omission seek to abandon or terminate the Condominium Project.

11.4 Books and Records. Owners and their Mortgagees shall have the right to examine the books and records of the Association at any reasonable time at the office of the Association upon reasonable notice. Copies are available at cost.

ARTICLE TWELVE: EXPANSION

12.1 Reservation of Right to Expand. Declarant reserves the right (without in any way being bound) to enlarge this condominium project in phases by submitting to The Project from time to time a Supplemental Condominium Map and Supplemental Declaration adding any of the Real Property described on Exhibit "D" attached hereto. The total number of condominium units in The Project as expanded shall not exceed 57.

If The Project has been or is to be approved by the Federal Housing Administration and or the Veterans Administration, any such addition, expansion or annexation must be according to a General Plan heretofore filed with and approved by the Federal Housing Administration or the Veterans Administration and such addition, expansion or annexation must be supported by the written consent of the Federal Housing Administration or the Veterans Administration, evidence of which may be recorded.

12.2 Supplemental Declarations and Supplemental Condominium Maps. Such expansion may be accomplished by the filing for record by Declarant in the office of the Clerk and Recorder for Boulder County, Colorado, no later than seven years from the date of the recording of the original Declaration, which was recorded on August 29, 1980, on Film 1131 as Reception No. 410210 in the Boulder County records, a supplement or supplements to this Declaration containing a legal description of the new Real Property or Properties, together with a Supplemental Condominium Map or Maps containing the same information with respect to the new Real Property as was required on the original Condominium Map with respect to the initial Real Property. The expansion may be accomplished in stages by successive supplements or in one supplemental expansion so long as each subsequent phase is contiguous to the Real Property already subject to this Declaration.

All intended improvements in future phases must be substantially completed prior to being brought within the Condominium Project.

12.3 Expansion of Definitions. In the event of such expansion, the definitions used in this Declaration shall be expanded automatically to encompass and refer to The Project as so expanded. For example, "Condominium Unit" shall mean the Condominium Units described hereinabove plus any additional Condominium Units added by a Supplemental Condominium Declaration or Declarations, and reference to this Declaration shall mean this Declaration as supplemented. All conveyances of Condominium Units shall be effective to transfer rights in The Project as expanded by use of the form of description set forth in Paragraph 2.3 hereof, with additional references to the Supplemental Condominium Declaration(s) and the Supplemental Condominium Map(s). The recordation in the records of Boulder County, Colorado, of a Supplemental Condominium Map or Maps incident to any expansion shall operate automatically to grant, transfer, and convey to the Owners of Condominium Units the respective undivided interests set forth in Paragraph 12.5 hereof in the new Common Elements added to the Condominium Project as the result of such expansion. Such recordation shall also operate to vest in any then Mortgagee of any Condominium Unit encumbering the new Common Elements added to The Project as the result of such expansion.

12.4 Declaration Operative on New Properties. The new Real Property shall be subject to all the terms and conditions of this Declaration or Declarations, and

the Condominium Units therein shall be subject to the condominium regime with all incidents pertaining thereto as specified herein, upon placing the Supplemental Condominium Map(s) and Supplemental Condominium Declaration(s) of public record in the real estate records of Boulder County, Colorado.

All future improvements to The Project will be consistent with the initial improvements in terms of quality of construction.

12.5 Interests on Enlargement. The Unit Owners at the time of their purchase of each Condominium Unit which has been brought into The Project by Supplemental Declaration and a Supplemental Condominium Map shall be members of the Association entitled to the same voting privileges as those owners of the initial property brought into The Project through this original Declaration and shall be subject to the same Assessments. The Assessments shall commence for all Unit Owners including the Declarant in accordance with Paragraph 5.7 hereof.

Whenever any additional property is brought into the Condominium Project, the interest of each owner of a Condominium Unit in the Common Elements in The Project after such addition shall be determined on the basis of the proportion which the approximate square footage finished area of each Apartment bears to the total approximate square footage finished area of completed Apartments within The Project (including Apartments created on the additional real property submitted to The Project). The square footage finished area of each Apartment is based upon dimensions which are approximate and the calculation of the percentage interest has been rounded. The Supplemental Declaration recorded at the time of expansion shall set forth the new percentage ownership interests of the Owners of the existing Units and the Owners of the newly added Units.

12.6 Taxes, Assessments and Other Liens. All taxes and other assessments relating to the real property described in Exhibit "D" covering any period of time prior to the addition of such property or any portion thereof to The Project must be paid or otherwise provided for by the Declarant to the satisfaction of all First Mortgagees.

Liens arising out of the construction of improvements in later phases shall not extend into prior phases and shall not adversely affect the rights of Owners or the priority of first mortgages and deeds of trust on any Unit constructed in a prior phase.

12.7 Project Treated as a Whole. For all purposes hereof, each of the Phases of The Project after the recording of the Supplemental Map and Supplemental Declaration submitting such Phase to The Project, shall be treated as a part of The Project developed as a whole from the beginning, except to the extent expressly otherwise provided for herein. It is the express purpose hereof to provide that from and after the date of the submission of a Phase of The Project in accordance with the above, that such Phase shall be treated as though such Phase had been developed, owned, occupied and used by the Owners thereof as a single undivided Project.

ARTICLE THIRTEEN: DURATION AND AMENDMENTS

13.1 Duration. All of the provisions contained in this Declaration shall continue and remain in full force and effect until condominium ownership of The Project and this Declaration are terminated, revoked, or amended as herein provided.

13.2 Amendments. Subject to the provisions of ARTICLE TWELVE hereof and except as permitted in Paragraph 14.7 hereof and except in cases of amendments that may be executed by the Declarant pursuant to Paragraphs 1.22 and 13.3, and the Board of Directors pursuant to Paragraphs 1.22 and 9.4 hereof and except as limited by Paragraphs 3.8, 11.2, 11.3, and 14.4 hereof, this Declaration, including the Map, may be amended only by written agreement by Owners of Units to which at least eighty percent (80%) of the votes in the Association are allocated and the approval of First Mortgagees holding mortgages of units which have at least eighty percent (80%) of the votes of the Units subject to first mortgages within The Project, provided, however, the consent of the Owners of Units to which one hundred percent (100%) of the votes are allocated and the approval of those First Mortgagees holding mortgages on Units which have one hundred percent (100%) of the votes of the Units subject to first mortgages within The Project shall be required to:

- (a) Increase the number of Units;
- (b) Change the number of votes in the Association appertaining to any Unit;
- (c) Change the pro rata interest or obligations of any individual Unit for the purposes of (i) levying assessments or allocating the distribution of hazard insurance proceeds or condemnation awards, or (ii) determining the pro rata share of ownership of each Unit in the Common Elements;
- (d) Convert Units into Common Elements or Common Elements into Units.

All amendments must be recorded with the County Clerk and Recorder, Boulder, Colorado.

If The Project has been or is to be approved by the Federal Housing Administration and/or the Veterans' Administration, then until the conversion of the Class B Membership to Class A Membership in accordance with Paragraph 4.5 hereof, the following actions will require the prior approval of the Federal Housing Administration and/or the Veterans Administration: annexation of additional properties, amendment of this Declaration and the assessment of a Special Assessment in accordance with Paragraph 5.4 hereof.

13.3 Special Amendments. Declarant hereby reserves and is granted the right and power to record Special Amendments to this Declaration at any time until the conversion of the Class B Membership to Class A Membership in accordance with Paragraph 4.5 hereof, which amends this Declaration to comply with any written requirements of the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Department of Housing and Urban Development, the Federal Housing Association, the Veterans' Administration, or any other governmental agency or any other public, quasi-public or private entity which performs (or may perform in the future) functions similar to those currently performed by such entities to induce any of such agencies or entities to make, purchase, sell, insure or guarantee first mortgages or deeds of trust covering the Units.

In furtherance of the foregoing, a power coupled with an interest is hereby reserved and granted to Declarant to make or consent to a Special Amendment on behalf of such Owners of the Units. Each deed, mortgage, trust deed, other evidence of obligation or other instrument affecting a Unit and the acceptance thereof shall be deemed to be a grant and acknowledgement of, and a consent to the reservation of, the power of Declarant to make, execute and record such Special Amendments. No Special Amendment made by Declarant shall affect or impair the lien of the first mortgage or deed of trust upon a Unit or any warranties made by an Owner or First Mortgagee in order to induce any of the above agencies or entities to make, purchase, insure, or guarantee the first mortgage or deed of trust on such Owner's Unit.

ARTICLE FOURTEEN: GENERAL PROVISIONS

14.1 Right of Action. The Association and any aggrieved Unit Owner shall have an appropriate right of action against Unit Owners for failure to comply with the Declaration, Bylaws of the Association, Articles of Incorporation and Rules and Regulations of the Association or with decisions of the Board of Directors of the Association which are made pursuant thereto. Unit Owners shall have a similar right of action against the Association.

14.2 Supplemental to Law. The provisions of this Declaration shall be in addition and supplemental to the Condominium Ownership Act of the State of Colorado and to all other provisions of law.

14.3 Successors and Assigns. This Declaration shall be binding upon and shall insure to the benefit of the Declarant, Association and each Owner, and the heirs, personal representatives, successors and assigns of each of them.

14.4 Temporary Use by the Declarant. Notwithstanding any provision herein contained to the contrary, during the period of construction and sale, it shall be expressly permissible for the Declarant to maintain upon The Project, without charge, such facilities as may be reasonably required, convenient or incidental for construction or sales purposes, including, but not limited to, a business office, storage area, nursery, construction yard and structures, signs, model condominium apartments and sales offices.

No maintenance of such facilities or use or activity by Declarant shall unreasonably interfere with the access, enjoyment or use of any Unit by any Owner nor the access, enjoyment or use of the Common Elements; nor shall any activity be conducted which might be unsafe, unhealthy, or hazardous to any person.

This right of use shall terminate at the option of the Declarant by its written notice to the Secretary of the Association, but in any event such reservations shall terminate without further act or deed not later than:

- (a) The completion of all of the improvements to the Project; or
- (b) seven (7) years from the date of the recording of the original Declaration which was recorded on August 29, 1980, on Film 1131 as Reception No. 410210 in the Boulder County records, whichever shall first occur.

Until the termination of this right of use as provided for above, any amendment to this Paragraph 14.4 must have the prior written assent of the Declarant.

14.5 Severability. Any portion of this Declaration invalidated in any manner whatsoever shall not be deemed to affect in any manner the validity, enforceability or effect of the remainder of this Declaration, and in such event, all of the other provisions of this Declaration shall continue in full force and effect as if such invalid provision has never been included herein.

14.6 No Waiver. No provision contained in this Declaration shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

14.7 Registration by Owner of Mailing Address. Each Owner shall register his mailing address with the Association, and except for monthly statements and other routine notices, which shall be personally delivered or sent by regular mail, all other notices or demands intended to be served upon an Owner shall be delivered personally or sent by either registered or certified mail, postage prepaid, addressed in the name of the Owner at such registered mailing address. All notices, demands or other notices intended to be served upon the Board of Directors of the Association or the Association shall be sent by certified mail, postage prepaid to Thomas R. Hoyt, 4730 Table Mesa Drive, Boulder, CO 80303, Registered Agent for the Association until the Registered Agent is changed by a notice duly filed with the Office of the Secretary of State of Colorado (Change of Registered Agent).

14.8 Attorneys' Fees and Costs. If any action is brought in a court of law or put into arbitration as to the enforcement, interpretation, or construction of any of the within covenants, conditions and restrictions of this Declaration, the prevailing party in such action shall be entitled to reasonable attorneys' fees as well as all costs incurred in the prosecution or defense of such action. Attorneys' fees and costs may be paid by mutual stipulation of the parties that any such action is resolved by stipulation and agreement of the parties.

14.9 Captions. The captions and headings in this Declaration are for convenience only, and shall not be considered in construing any provision of this Declaration.

14.10 Numbers and Genders. Whenever used herein, unless the context shall otherwise provide, the singular number shall include the plural, plural the singular, and the use of any gender shall include all genders.

14.11 Release. It is the intent of the Owners and the Declarant that this CONDOMINIUM DECLARATION FOR THE REYNOLDS FARM CONDOMINIUMS, upon its recording, shall supercede in its entirety the original CONDOMINIUM DECLARATION FOR THE REYNOLDS FARM CONDOMINIUMS recorded on Film 1131 as Reception No. 410210, as amended by instrument recorded on Film 1167 as Reception No. 448577 in the Boulder County records, thus making all of the said original Declaration as amended, null, void and of no further force and effect.

IN WITNESS WHEREOF, the Declarant has caused this Amendment and Restatement to be executed this 23rd day of February, 1982.

EXHIBIT "A"

Legal Description of the Real Property which shall be submitted to The Reynolds Farm Condominium Regime (First Phase), to wit:

BUILDING AREAS 12 through 15 together with Easement "E-1", Public Access and Utility Easement a/k/a "Reynolds Farm Lane", REYNOLDS FARM, a development in the City of Longmont, according to the official Development Plat and Site Plan recorded on Film 1096 as Reception No. 374489 in the Boulder County, Colorado records.

THE REYNOLDS FARM CONDOMINIUMS
SCHEDULE OF PERCENTAGE INTERESTS IN THE COMMON ELEMENTS

Subject to the provisions of ARTICLE TWELVE hereof, each Unit in The Project is hereby vested with an undivided percentage interest in and to the Common Elements as set forth below:

<u>UNIT</u>	<u>BUILDING</u>	<u>PERCENTAGE INTEREST</u>
A	12	5.80033
B	12	6.91578
C	12	6.91578
D	12	5.80033
A	13	5.80033
B	13	6.91578
C	13	8.25433
D	13	6.19074
A	14	5.80033
B	14	8.25434
C	14	6.19074
A	15	6.19074
B	15	8.25434
C	15	6.91578
D -	15	5.80033
		100.00000

The Percentage Interest has been determined on the basis of the proportion which the approximate square footage finished area of each Apartment bears to the total approximate square footage finished area of all Apartments in The Project. The square footage for each Apartment is based upon dimensions which are approximate and the calculation of the Percentage Interests has been rounded. The Percentage Interest shown for each Unit is subject to change in accordance with ARTICLE TWELVE hereof.

In the event the Declarant exercises its right to enlarge this Condominium Project in Phases by submitting to The Project additional real property in accordance with ARTICLE TWELVE hereof, each Percentage Interest set forth above will decrease. The Percentage Interest of each Unit will then be determined on the basis of the proportion which the approximate square footage finished area of each Apartment bears to the total approximate square footage finished area of all completed Apartments within The Project (including Apartments created on the additional real property submitted to The Project).

MAINTENANCE RESPONSIBILITIES:

This chart and the titles and headings used herein are not intended to describe or encompass all maintenance functions nor to delineate all respective responsibilities between the Unit Owners, severally, and the Association. The placement of responsibility under any specific column does not always accurately reflect the precise character and nature of ownership. The appropriate sections of the Declaration determine ownership. In many cases maintenance responsibility is allocated to the Association to ensure central maintenance responsibility, uniformity and quality of repair, and to protect community health and safety. Where such maintenance is required due to the negligent or wrongful act or omission of a Unit Owner (or his family, tenants, employees, agents, visitors, guests or pets), the Association will perform the necessary maintenance at the sole expense of the Unit Owner.

COLUMN I: Items • Items appearing in this column are illustrative and not exhaustive.

COLUMN II: Common Elements Under Association Responsibility • Responsibility for determining and providing for the maintenance, repair and replacement requirements of the Common Elements and determining the costs thereof shall be primarily the responsibility of the Board of Directors and such designees to which it may delegate certain such responsibilities.

COLUMN III: Limited Common Elements Under Association Responsibility • Responsibility for determining the maintenance, repair and replacement requirements of the Common Elements shall be shared responsibility between the Board of Directors and the Unit Owner of a Unit to which a specific Limited Common Element is exclusively appurtenant; provided, however, that the Board shall have the final responsibility for determining the need for and accomplishing such maintenance, repair and replacement activities.

COLUMN IV: Unit Components Under Association Responsibility • The items in this column are legally and by definition a part of a Unit but are attached or directly connected to or associated with the Common Elements and common expense items in such a way that a clear distinction between Unit Owner and Association responsibility cannot be made. Moreover, such items frequently involve matters of concern relative to the general health, safety and welfare of all of the occupants of The Building. Thus, certain costs which appear to benefit a single Unit Owner but which affect other Unit Owners are declared a common expense, especially when the correct functioning of an activity or element is integral to or supportive of the legally defined Common Elements and common expenses.

COLUMN V: Certain Other Components Under Unit Owner's Responsibility Without Respect to Ownership of the Component • The items in this column are not intended to be exclusive and all-encompassing and do not affect responsibilities expressly provided for otherwise.

FIRST AMENDMENT
TO THE
CONDOMINIUM DECLARATION FOR
THE REYNOLDS FARM CONDOMINIUMS

WHEREAS, there exists a Condominium Regime known as THE REYNOLDS FARMS CONDOMINIUMS located on the following described property:

See attached Exhibit A.

WHEREAS, it is thought to be in the best interests of said REYNOLDS FARM CONDOMINIUMS to amend its Condominium Declaration to comply with the new requirements of the Federal National Mortgage Association and the Federal Home Loan Mortgage Corporation to induce said agencies to purchase loans on Condominium Units located within The Project.

NOW, THEREFORE, in accordance with Paragraph 13.3 of THE CONDOMINIUM DECLARATION OF THE REYNOLDS FARM CONDOMINIUMS, the undersigned Declarant as defined in the said Declaration, for the use and benefit of itself and all persons claiming or to claim any part of the above-described real property by, through or under it, hereby declare and agree that the AMENDMENT AND RESTATEMENT OF THE CONDOMINIUM DECLARATION FOR THE REYNOLDS FARM CONDOMINIUMS recorded as Reception No. 548873, as supplemented by instruments recorded as Reception Nos. 574371 and 530074 in the Boulder County, Colorado, records, shall be and that said document is hereby amended in the following manner; to wit:

ARTICLE SEVEN is amended in its entirety to read as follows:

ARTICLE SEVEN: INSURANCE

7.1 Authority to Purchase/General Requirements. Except as otherwise provided in Paragraph 7.7 hereof, all insurance policies relating to The Project shall be purchased by the Board of Directors. The Board of Directors, the Managing Agent and the Declarant shall not be liable for failure to obtain any coverages required by this Article or for any loss or damage resulting from such failure if such failure is due to the unavailability of such coverages from reputable insurance companies, or if such coverages are so available only at demonstrably unreasonable cost. The Board of Directors shall promptly furnish to each Owner and/or such Owner's First Mortgagee requesting same, written notice of the procurement of, subsequent changes in, or termination of, insurance coverages obtained on behalf of the Association.

The Board of Directors shall not obtain any policy where (a) under the terms of the insurance company's charter, bylaws or policy, contributions or assessments may be made against the Association, Owner, First Mortgagee or such First Mortgagee's successor and assigns, or (b) by the terms of carrier's charter, bylaws or policy, loss payments are contingent upon action by the carrier's Board of Directors, policyholders or members; or (c) the policy includes any limited clauses (other than insurance conditions) which could prevent Owners or First Mortgagees, their successors and assigns from collecting insurance proceeds.

Each such policy shall provide that:

- a) The insurer to the extent possible waives any right to claim by way of subrogation against the Declarant, the Association, the Board of Directors, the Managing Agent or the Owners, and their respective agents, employees, Guests and, in the case of the Owners, the members of their households;
- b) Such policy shall not be cancelled, invalidated or suspended due to the conduct of any Owner or his or her Guests or of any Member, officer or employee of the Board of Directors or the Managing Agent without a prior demand in writing that the Board or the Managing Agent cure the defect and neither shall have so cured such defect within thirty days after such demand;
- c) Such policy, including any fidelity insurance of the Association referred to in Paragraph 7.4 hereof may not be cancelled, reduced in coverage, or substantially modified by any party (including cancellation for nonpayment of premium) without at least thirty days prior written notice to the Board of Directors, the Managing Agent and to each First Mortgagee listed as a scheduled holder of a first mortgage in the policy.
- d) Such policy must provide that no assessment may be made against a First Mortgagee, its successors or assigns and that any assessment made against others shall not become a lien on a Unit superior to the lien of a First Mortgagee's.
- e) The Declarant, so long as Declarant shall own any Unit, shall be protected by all such policies as an Owner.

All policies of insurance shall be written by reputable companies duly authorized and licensed to do business in the State of Colorado and be in a financial category as designated in BEST'S INSURANCE REPORTS of Class X-B or better.

The name of the insured under the policies shall be the Association for the use and benefit of the individual Owners. Any loss covered by the policies carried under this Article shall be adjusted exclusively by the Association, and the insurance proceeds for that loss shall be payable to the Association as trustee for each Owner and such Owner's First Mortgagee. Each Owner and such Owner's First Mortgagee, if any, shall be beneficiaries of the insurance policy or policies according to each Owner's interest as such interests appear in the policy or policies, or in the event separate interests are not designated in the policy, then pro rata according to each Owner's percentage interest in

the Common Elements.

All insurance policies shall contain the standard mortgagee clause or equivalent endorsement (without contribution) in which it appropriately names the First Mortgagee in the policy, its successors and assigns, beneficiary.

7.2 Hazard Insurance. The Board of Directors shall obtain and maintain a blanket, "all-risk" form policy of hazard insurance with extended coverage, vandalism, malicious mischief, windstorm, sprinkler leakage (if applicable), debris removal, cost of demolition and water damage endorsements, insuring all the Common Elements and Limited Common Elements within The Project including fixtures, machinery, equipment and supplies maintained for the service of The Project, as well as common personal property belonging to the Association. Such insurance shall be in the amount of the full current replacement cost, as defined below, to include, among other things, all fixtures, improvements, alterations and equipment, comprising a part of the individual Apartment within the unfinished interior surfaces of the perimeter walls, floors and ceilings of the Apartment initially installed or replacements thereof, in accordance with the original plans and specifications, or installed by or at the expense of the Owner and provide that all claims are to be settled on a replacement cost basis. All references herein to a "blanket" type policy of property insurance, are intended to denote "Single Entity" condominium insurance coverage.

In addition, any fixtures, equipment or other property within the Apartments which are to be financed by a First Mortgagee (regardless of whether or not such property is a part of the Common Elements) must be covered in such "blanket" policy.

Such insurance shall at all times represent one hundred percent of the current replacement cost of The Project based on the most recent appraisal of the entire Project. The replacement cost shall not include values for land, foundation, excavation and other items normally excluded therefrom and shall be without deduction for depreciation and with no provision for co-insurance. The Board of Directors shall review at least annually all of its insurance policies in order to insure that the coverages contained in the policies are sufficient. The Board of Directors shall be consistent with good business practices, and at reasonable intervals obtain a written appraisal for insurance purposes, which shall be maintained as a permanent record, showing that the insurance represents one hundred percent of the current replacement cost of The Project as defined above.

Such policies shall also provide:

- a) The following endorsements or their equivalent: No Control Endorsement, Contingent Liability from Operation of Building Laws or Codes Endorsement, (Loss of value for an undamaged portion, Cost of Demolition Endorsement, Increased Cost of Construction Endorsement) Agreed Amount Endorsement, and Inflation Guard Endorsement, if available.
- b) That any "no other insurance" clause expressly exclude individual Owners' policies from its operation so that the hazard insurance policy purchased by the Board of Directors shall be deemed primary coverage and any individual Owners' policies shall be deemed excess coverage, and in no event shall the insurance coverage obtained and maintained by the Board of Directors hereunder provide for or be brought into contribution with insurance purchased by individual Owners or their First Mortgagees, unless otherwise required by law.

The deductible, if any, on such insurance policy shall be as the Directors determine to be consistent with good business practice and which shall be consistent with the requirements of the First Mortgagees, not to exceed, however, ten thousand dollars or one percent of the face amount of the policy whichever is less. Any loss falling within the deductible portion of a policy shall be paid by the person or entity who is responsible for the repair and maintenance of the property which was damaged or destroyed. In the event of a joint duty of repair and maintenance of the property damaged or destroyed then the deductible shall be paid by the Association. Funds to cover the deductible amounts should be included in the Reserve Account and be so designated.

A duplicate original of the policy of hazard insurance, all renewals thereof, and any subpolicies or certificates and endorsements issued thereunder, together with proof of payment of premiums, shall be delivered by the insurer to any Owner and First Mortgagee requesting the same, at least thirty days prior to expiration of the current policy.

The Association shall hold any insurance proceeds received in trust for the Owners and First Mortgagees as their interests may appear. The proceeds shall be disbursed first for the repair or restoration of the damaged Common Elements and Apartments. Owners and First Mortgagees are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the Common Elements and Apartments have been repaired or restored or The Project is terminated.

7.3 Liability Insurance. The Board of Directors shall obtain and maintain comprehensive general liability insurance (including libel, slander, false arrest, and invasion of privacy) and property damage insurance covering all of the Common Elements, public ways of The Project and any other areas that are under the Association's responsibility and commercial spaces owned by the Association whether or not they are leased to some third party insuring each Officer, Director, the Managing Agent and each Owner, to include the Declarant in its capacity as an Owner. Such coverage under this policy shall include, without limitation, the legal liability of the insureds for property damage, bodily injuries and deaths of persons that result from the operation, maintenance or use of the Common Elements and the legal liability arising out of lawsuits relating to employment contracts in which the Association is a party.

Such insurance shall be issued on a comprehensive liability basis. Additional coverages may be required to include protection against such other risks as are customarily covered with respect to Projects similar in construction, location and use, where applicable and available, including, but not limited to, Host Liquor Liability coverage with respect to events sponsored by the Association, Contractual and All-Written Contract insurance, Workmen's Compensation and Employer's Liability insurance, Comprehensive Automobile Liability insurance, Severability of Interest endorsement, Garage Keepers Liability and Bailees Liability endorsement.

The Board of Directors shall review such limits once each year, but in no event shall such insurance be less than one million dollars per occurrence covering all claims for personal injury, bodily injury, including deaths of persons and property damage. Reasonable amounts of "umbrella" liability insurance in excess of the primary limits may also be obtained.

7.4 Fidelity Insurance. The Board of Directors shall obtain and maintain adequate fidelity insurance coverage, to protect against dishonest or fraudulent acts committed by the Association's Directors, Officers, Managing Agent, Trustees, employees or volunteers of the Association and all others who manage or are responsible for handling funds.

collected and held for the benefit of the Association, provided however, the Board of Directors shall not maintain fidelity coverage to cover any Managing Agent.

Such fidelity coverage shall name the Association as the named insured, be written in an amount sufficient to cover the maximum funds that will be in the custody of the Association or its Managing Agent at any time while the insurance is in force, but must be no less than the sum of three months' of assessments on all Units within The Project, plus the Association's Reserve Funds, and contain waivers of any defense based upon the exclusion of persons who serve without compensation from any definition of "employee" or similar expression.

In the event the Association has delegated some or all of its responsibility for the management of its funds to a Managing Agent, such Managing Agent must be covered by its own fidelity insurance providing the same coverage required of the Association's fidelity insurance. The Association should be named as an obligee in the Managing Agent's fidelity insurance and evidence of such coverage must be submitted to the Association. -

7.5 Additional Insurance.

a) If the area where The Project is located has been identified by the Secretary of Housing and Urban Development (HUD) or the Director of the Federal Emergency Management Agency (FEMA) as a Special Flood Hazard Area, flood insurance for The Project shall be maintained providing coverage equivalent to that provided under the National Flood Insurance Program in an amount of one hundred percent of The Project's current replacement cost.

The Association must also maintain coverage for detached Common Elements and have separate coverage for each Building housing the Condominium Apartments for one hundred percent of the replacement cost including any machinery and equipment that are part of the Building. The contents coverage must equal one hundred percent of the replacement cost of all contents, including machinery and equipment which are not part of a Building, that are owned in common with other Owners. A separate Association endorsement is required if not already a part of the policy.

Deductibles may not exceed the lower of five thousand dollars or one percent of the face amount of the coverage. Funds for such deductibles must be included in the Association's Reserve and be so designated.

If The Project at the time of the recording of this Declaration is not identified as a Special Flood Hazard Area but becomes reclassified at a later date as such and the Board becomes aware of such reclassification, then the Board of Directors shall obtain flood insurance for The Project in accordance with the above. Conversely flood insurance may be discontinued under certain conditions.

b) Adequate Directors and Officers liability insurance, if available, and if deemed consistent with good business practices, for errors and omissions on all Directors and Officers to be written in an amount which the Association deems adequate;

c) Broad form machinery and pressure vessel explosion insurance (if applicable) in a minimum amount per accident at least equal to the lesser of two million dollars or the insurable value of the building housing the boiler or machinery.

d) If it is determined by a First Mortgagee that the existing coverages do not adequately protect The Project, the Board of Directors shall obtain such additional coverages.

e) Such other insurance of a similar or dissimilar nature, as the Board of Directors shall deem appropriate with respect to The Project.

7.6 Payment of Insurance Premiums. The cost of the insurance obtained by the Association in accordance with this Article, except for premiums on fidelity bonds maintained by a Managing Agent for its officers, employees and agents, shall be paid from Association funds and be collected from the Owners as part of the Annual Assessment for Common Expenses as provided for in Paragraph 5.3(a) hereof.

7.7 Separate Insurance. Each Owner shall have the right, at his or her own expense, to obtain insurance for his or her Unit for his or her own benefit and to obtain insurance coverage upon his or her personal property, furnishings and for his or her personal liability provided, however, that no Owner shall be entitled to exercise his or her right to acquire or maintain such insurance coverage so as to decrease the amount which the Board of Directors, on behalf of all Owners, may realize under any insurance policy maintained by the Board or to cause any insurance coverage maintained by the Board to be brought into contribution with insurance coverage obtained by an Owner. All such policies shall contain waivers of subrogation. No Owner shall obtain separate insurance policies except as provided in this Paragraph.

That in all respects the said CONDOMINIUM DECLARATION FOR THE REYNOLDS FARM CONDOMINIUMS as amended shall remain in full force and effect.

IN WITNESS WHEREOF, the undersigned has caused this FIRST AMENDMENT TO THE CONDOMINIUM DECLARATION FOR THE REYNOLDS FARM CONDOMINIUMS to be executed this 17th day of January, 1984.
